AECOM to present at Bank of America Merrill Lynch 2011 Industrials Conference

Company leaders, including Chairman and CEO John M. Dionisio and President Michael S. Burke, to present in New York

LOS ANGELES (Nov. 29, 2011) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it will be presenting at the Bank of America Merrill Lynch 2011 Industrials Conference in New York at the Crowne Plaza Times Square.

Members of AECOM's management team — including John M. Dionisio, chairman and chief executive officer, and Michael S. Burke, president — will present at the conference on Dec. 6 at 2:30 p.m. EST.

Interested parties can access a live webcast of the presentation, as well as presentation materials, by visiting the Investors page on AECOM's Web site at <http://investors.aecom.com>. An archived version of the webcast will also be available until Dec. 23.

About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural and social environments. A *Fortune 500* company, AECOM serves clients in approximately 125 countries and had revenue of \$8.0 billion during its fiscal year 2011. More information on AECOM and its services can be found at www.aecom.com.
