AECOM awarded US\$18.5-million U.S. Navy declassification contract

LOS ANGELES (July 25, 2013) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private clients in more than 140 countries around the world, announced today it has been awarded a US\$18.5-million U.S. Navy declassification contract with the Department of the Navy (DoN).

This is the second declassification contract AECOM has been awarded by the DoN. The first was received in 2011. Both programs are set to run concurrently.

AECOM analysts will conduct declassification reviews of records that are 25 years and older in accordance with Executive Order 13526 — an order prescribing a uniform system for classifying, safeguarding and declassifying national security information, including information relating to defense against transnational terrorism.

Work on the project is scheduled to be performed over three years, with operations to take place within the National Capital Region.

About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 140 countries and had revenue of \$8.2 billion during the 12 months ended March 31, 2013. More information on AECOM and its services can be found at www.aecom.com.

Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2013, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.
