### **AECOM awarded NAVFAC contract in Pacific region worth up to US\$85 million**

LOS ANGELES (Oct. 9, 2012) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private clients in more than 130 countries around the world, announced today that AECOM was awarded an indefinite delivery/indefinite quantity (IDIQ) contract for environmental remediation services by the U.S. Naval Facilities Engineering Command (NAVFAC) Pacific.

Under the Comprehensive Long-Term Environmental Action Navy (CLEAN) contract, which is worth up to US\$85 million, AECOM may provide environmental technical and engineering services at various installations principally in Hawaii and Guam and throughout the NAVFAC Pacific region. AECOM's Pacific district, located in Honolulu, Hawaii, will provide the regional support, with assistance from AECOM offices throughout the United States and Asia.

The period of performance is a base year plus four option years.

#### **About AECOM**

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 130 countries and had revenue of \$8.3 billion during the 12 months ended June 30, 2012. More information on AECOM and its services can be found at [www.aecom.com](http://www.aecom.com).

*Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our quarterly report on Form 10-Q for the fiscal quarter ended June 30, 2012, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.*
