### **AECOM establishes Global Advisory Board to be chaired by Sir John Major**

*Former U.K. prime minister to lead advisory board focused on high-growth markets*

LOS ANGELES (Feb. 21, 2012) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private sector clients in more than 130 countries around the world, announced today that it has established a [Global Advisory Board](#) chaired by former U.K. Prime Minister, The Right Honourable Sir John Major KG CH, and composed of other independent leaders in business and geopolitical affairs.

The AECOM Global Advisory Board will support the company's efforts to enter and grow in new geographies, business lines and high-growth service areas. In addition to Sir John, who also served as the U.K. Foreign Secretary and Chancellor of the Exchequer, charter members of the advisory board include:

- Emeritus Senior Minister Goh Chok Tong, former Prime Minister of Singapore;
- Mr. Deepak Parekh, Chairman of India-based Housing Development Finance Corporation Limited; and
- Dr. Daniel Thorniley, President of Vienna-based DT-Global Business Consulting.

"I am pleased to announce the formation of the AECOM Global Advisory Board," said John M. Dionisio, AECOM chairman and chief executive officer. "The global insight and marketplace visibility of our advisory board members, led by Sir John Major, will provide a valuable business perspective as we advance AECOM's diversified global growth strategy. In addition, our advisory board members offer expert knowledge for issues at the intersection of global business operations and society at large, including humanitarian affairs, socially responsible business practices and sustainability.

"The advisory board will be especially valuable in offering guidance as AECOM increases its participation in geographic areas of focus such as Africa, Asia, Eastern Europe, India and Latin America as well as high-growth businesses such as oil and gas, energy, mining, and national security," said Dionisio.

"I am delighted to Chair such a distinguished Advisory Board of members prepared to offer their experience and expertise in support of one of the world's most ethical companies," said Sir John Major.

### **About AECOM**

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 130 countries and had revenue of \$8.1 billion during the 12 months ended Dec. 31, 2011. More information on AECOM and its services can be found at [www.aecom.com](http://www.aecom.com).

*Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our quarterly report on Form 10-Q for the fiscal quarter ended Dec. 31, 2011, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.*
