### AECOM joint venture awarded contract worth up to US\$500 million by Transport for London

LOS ANGELES (March 13, 2013) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private clients in more than 140 countries around the world, announced today that a joint venture in which it participates was awarded an eight-year highways contract worth up to US\$500 million by Transport for London to provide design and engineering services.

AECOM and joint venture partner FM Conway will provide design and engineering services for one of the four new area-based highway contracts under the London Highways Alliance Contract. The contract includes work in the boroughs of Barnet, Brent, Ealing, Harrow, Hillingdon and Hounslow.

"AECOM looks forward to providing our innovative expertise as we work with our partner to deliver sustainable design consultancy, network operation and service delivery solutions to North West London," said AECOM Chairman and Chief Executive Officer John M. Dionisio.

#### About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 140 countries and had revenue of \$8.2 billion during the 12 months ended Dec. 31, 2012. More information on AECOM and its services can be found at [www.aecom.com](http://www.aecom.com).

*Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our quarterly report on Form 10-Q for the fiscal quarter ended Dec. 31, 2012, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.*
