AECOM awarded contract worth up to US\$37 million for emergency recovery services from the U.S. Federal Emergency Management Agency

LOS ANGELES (Dec. 1, 2011) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it has been awarded an emergency recovery services contract from the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA).

The contract's maximum value is US\$37 million. This is AECOM's 14th-consecutive year of providing services under FEMA's Public Assistance Technical Assistance Contracts.

Under the contract, AECOM will provide disaster recovery services, damage assessments, cost estimates, debris removal management, insurance assessments, long-term recovery planning and technical publications.

About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in approximately 125 countries and had revenue of \$8.0 billion during its fiscal year 2011. More information on AECOM and its services can be found at www.aecom.com.

Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our annual report on Form 10-K for the fiscal year ended Sept. 30, 2011, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.
