AECOM awarded architecture-engineering contract worth up to US\$15-million by the U.S. Naval Facilities Engineering Command Southwest

LOS ANGELES (Feb. 4, 2013) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private clients in more than 130 countries around the world, announced today that it was awarded a US\$15-million firm-fixed-price, indefinite-delivery/indefinite-quantity (IDIQ) contract by the U.S. Naval Facilities Engineering Command (NAVFAC) Southwest to provide architect and engineering services.

AECOM will provide architect and engineering services for plans, studies, project planning documents, geo-spatial information and global positioning system services. Work may take place at various locations under the cognizance of NAVFAC Southwest, including Arizona, California, Colorado, Nevada, New Mexico and Utah.

The contract term is for a one-year base period with two option periods.

About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 130 countries and had revenue of \$8.2 billion during the 12 months ended Sept. 30, 2012. More information on AECOM and its services can be found at www.aecom.com.

Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our annual report on Form 10-K for the fiscal year ended Sept. 30, 2012, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.
