### **AECOM one of four contractors awarded US\$100-million contract to provide environmental services to U.S. Army Corps of Engineers**

LOS ANGELES (June 27, 2012) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private sector clients in more than 130 countries around the world, announced today that it is one of four contractors awarded a US\$100-million indefinite delivery/indefinite quantity contract by the U.S. Army Corps of Engineers' Baltimore District.

Under the five-year contract, AECOM may provide design, engineering and remedial construction services in support of environmental projects.

Work would be performed at military facilities located primarily in the Mid-Atlantic and Northeast regions of the country.

#### **About AECOM**

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation, and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural and social environments. A *Fortune 500* company, AECOM serves clients in more than 130 countries and had revenue of \$8.2 billion during the 12 months ended March 31, 2012. More information on AECOM and its services can be found at [www.aecom.com](http://www.aecom.com).

*Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our annual report on Form 10-Q for the fiscal quarter ended March 31, 2012, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.*
