

## **AECOM wins US\$30-million design-build contract to complete Texas State Highway 161 Phase 4**

December 16, 2009

### **Project will complete 6.5-mile Dallas-Fort Worth Metroplex highway link**

LOS ANGELES, Dec 16, 2009 (BUSINESS WIRE) -- AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it has been awarded a contract worth US\$30 million from Prairie Link Constructors to complete the design of Texas State Highway 161 Phase 4.

The project will result in a new, 6.5-mile link in the highway loop around Dallas.

"We are excited to play a key role in the completion of this vital roadway project, which will improve transportation options and quality of life for Dallas-area residents," said John M. Dionisio, AECOM president and chief executive officer. "Transportation investments like these positively impact the economy by fueling job creation and reflect the North Texas Tollway Authority's commitment to its important roadway infrastructure."

The project, which has an estimated construction value of \$416 million, is slated for completion during 2012.
