

AECOM awarded US\$21.5-million contract for new U.S. Army Pacific Command and Control Facility Complex

May 13, 2010 at 7:01 AM EDT

LOS ANGELES, May 13, 2010 (BUSINESS WIRE) --AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it has been awarded a US\$21.5-million design and planning contract by the U.S. Army Corps of Engineers' Honolulu District for the new U.S. Army Pacific Command and Control Facility Complex located at Fort Shafter in Oahu.

The 330,000-square-foot complex will consist of five distinct functional areas, ranging from general administration to sensitive compartmented information facilities, and will also include a 1,100-car parking structure.

The Command and Control Facility Complex is scheduled for completion in 2018. Design is scheduled for completion at the end of 2011.

About AECOM

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation, and technical excellence in delivering solutions that enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 100 countries and had revenue of \$6.3 billion during the 12-month period ended March 31, 2010. More information on AECOM and its services can be found at www.aecom.com.

Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2010, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.
