

AECOM to present at Morgan Stanley Business & Education Services Conference

September 20, 2010

CFO Michael S. Burke to present in New York

LOS ANGELES, Sep 20, 2010 (BUSINESS WIRE) --

AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it will be presenting at the Morgan Stanley Business & Education Services Conference in New York.

Michael S. Burke, AECOM executive vice president and chief financial officer, will present at the conference on Thursday, Sept. 23, at 10:20 a.m. EDT. The conference is being held at the Morgan Stanley office located at 522 Fifth Avenue.

Interested parties can access a live webcast of the presentation, as well as presentation materials, by visiting the Investors page on AECOM's Web site at <http://investors.aecom.com>. An archived version of the presentation will also be available for one year following the event.

About AECOM

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 48,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation, and technical excellence in delivering solutions that enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 100 countries and had revenue of \$6.3 billion during the 12-month period ended June 30, 2010. More information on AECOM and its services can be found at www.aecom.com.
