

AECOM one of four firms awarded contract worth up to US\$60 million for planning and engineering services at U.S. Navy and Marine Corps facilities worldwide

October 14, 2010

LOS ANGELES, Oct 14, 2010 (BUSINESS WIRE) -- AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it is one of four companies awarded an Indefinite Delivery/Indefinite Quantity Multiple Award Contract by U.S. Naval Facilities Engineering Command Atlantic for planning and engineering services at various Navy and Marine Corps facilities worldwide.

The contract provides for planning and engineering services for global shore infrastructure, base development, regional shore infrastructure, integrated logistics and housing. Work will be performed mainly in the United States, however, tasks associated with this contract may be assigned anywhere in the world.

The contract's maximum total value is US\$60 million. It has a period of performance of one base year, plus four option years.

About AECOM

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 51,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that enhance and sustain the world's built, natural and social environments. A *Fortune 500* company, AECOM serves clients in more than 100 countries and had revenue of \$6.3 billion during the 12-month period ended June 30, 2010. More information on AECOM and its services can be found at <http://www.aecom.com/>.

Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any statements of plans for future operations or expected revenue. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our quarterly report on Form 10-Q for the fiscal quarter ended June 30, 2010, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.
