

AECOM turns over West Riverside Energy Center to Alliant Energy

May 18, 2020 at 6:55 AM EDT

LOS ANGELES--(BUSINESS WIRE)--May 18, 2020-- AECOM (NYSE:ACM), the world's premier infrastructure firm, announced today that it has turned over care, custody and control of the newly completed West Riverside Energy Center located near Beloit, Wisconsin, to Alliant Energy.

"The West Riverside Energy Center will bring reliable, cost-effective energy to thousands of homes and businesses," said Randy Wotring, AECOM's chief operating officer. "We are proud to deliver this next-generation, highly-efficient project to Alliant Energy and support communities throughout the State of Wisconsin."

As the engineering, procurement and construction (EPC) provider for the 730-megawatt generation station, AECOM's scope included management, design, supply, installation and start-up of the 2x1 natural gas-fired combined cycle facility. During the project, more than 1,000 local craft workers performed the construction with an outstanding safety record.

About AECOM

AECOM (NYSE:ACM) is the world's premier infrastructure firm, delivering professional services throughout the project lifecycle – from planning, design and engineering to consulting and construction management. We partner with our clients in the public and private sectors to solve their most complex challenges and build legacies for generations to come. On projects spanning transportation, buildings, water, governments, energy and the environment, our teams are driven by a common purpose to deliver a better world. AECOM is a Fortune 500 firm with revenue of approximately \$20.2 billion during fiscal year 2019. See how we deliver what others can only imagine at aecom.com and [@AECOM](https://twitter.com/AECOM).
