

AECOM names Bob Kelleher Chief Human Capital Officer

November 15, 2007 at 8:02 AM EST

Kelleher brings 23 years of HR expertise to key corporate role

LOS ANGELES--(BUSINESS WIRE)--Nov. 15, 2007--AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, has appointed Bob Kelleher as chief human capital officer.

In this key leadership role, Kelleher, who most recently had been chief operating officer for AECOM's environmental practice, will lead the company's enterprise efforts to strengthen and support human capital. This includes leading organizational development, employee engagement and the majority of human resources functions for AECOM and its more than 31,000 employees serving clients in over 60 countries globally.

"At AECOM we are fortunate to have the best and the brightest professionals," said John M. Dionisio, AECOM president and chief executive officer. "We look forward to leveraging Bob's expertise as we focus on enhancing and sustaining an engaging work environment as an employer of choice in our industry."

Kelleher brings 23 years of experience managing organizational development and organizational effectiveness efforts to his new role. He has extensive experience building comprehensive and highly successful employee engagement programs that are recognized within the industry as "best in class."

About AECOM

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental and energy. With more than 31,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation, and technical excellence in delivering solutions that enhance and sustain the world's built, natural, and social environments. AECOM serves clients in more than 60 countries and had revenue of more than \$4 billion for the 12-month period ended June 30, 2007.
