

## **AECOM Completes Acquisition of Boyle Engineering**

March 31, 2008 at 5:01 PM EDT

600-employee engineering firm strengthens AECOM's growing environmental practice in water, wastewater markets

LOS ANGELES--(BUSINESS WIRE)--March 31, 2008--AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it has completed its acquisition of Boyle Engineering, a Newport Beach, Calif.-based engineering firm that specializes in the water sector, including drinking water, wastewater treatment and water-resource management.

Boyle further strengthens AECOM's growing environmental practice, particularly in the water and wastewater markets. Boyle has a strong presence in the southeast and western United States and employs more than 600 people.

### About AECOM

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental and energy. With more than 35,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation, and technical excellence in delivering solutions that enhance and sustain the world's built, natural, and social environments. AECOM serves clients in more than 60 countries and had revenue of \$4.2 billion during fiscal year 2007. More information on AECOM and its services can be found at [www.aecom.com](http://www.aecom.com).

Forward-Looking Statements: All statements in this press release other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any statements of the plans, strategies and objectives for future operations, including but not limited to contemplated acquisitions, and any statements regarding future economic conditions or performance. Actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause actual results to differ materially from our forward-looking statements are set forth in our Form 10-Q for the fiscal quarter ended Dec. 31, 2007, and our other reports filed with the U.S. Securities and Exchange Commission. AECOM does not intend, and undertakes no obligation, to update any forward-looking statement.
