

## **AECOM to participate in UBS Engineering and Construction One-on-One Conference**

August 5, 2008 at 6:01 PM EDT

LOS ANGELES--(BUSINESS WIRE)--Aug. 5, 2008--AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that Michael S. Burke, executive vice president, chief corporate officer and chief financial officer, will participate in the UBS Engineering and Construction One-on-One Conference in Chicago on August 12, beginning at 8 a.m. Central Time.

Burke will provide an overview of the company and its recent financial performance. The slides from the presentation will be posted on the Investor Relations sections of AECOM's Web site (<http://investors.aecom.com>) at or before the start of the conference.

### About AECOM

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental and energy. With more than 40,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation, and technical excellence in delivering solutions that enhance and sustain the world's built, natural, and social environments. AECOM serves clients in more than 100 countries and had revenue of more than \$4.5 billion during the 12-month period ended March 31, 2008. More information on AECOM and its services can be found at [www.aecom.com](http://www.aecom.com).
