

AECOM awarded \$52-million task order to support U.S. military

December 23, 2008 at 3:17 PM EST

LOS ANGELES--(BUSINESS WIRE)--Dec. 23, 2008--AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it has won a task order from the U.S. Air Force for Contract Field Teams (CFT) valued at \$52 million.

The CFT contract is an indefinite delivery/indefinite quantity (IDIQ) contract with the Air Force to support the U.S. Department of Defense and the U.S. Department of Homeland Security. Under this task order, AECOM will provide aircraft-maintenance services at California's China Lake Naval Air Weapons Station in support of Air Test and Evaluation Squadron 31, commonly known as "VX-31."

Under the one-year assignment, which has an additional option year, approximately 350 AECOM employees will provide organizational and intermediate-level maintenance support for VX-31's mission of testing and evaluating current and future aircraft and related systems in the Research Development and Integrated Development Flight Test phases.

CFT IDIQ task orders awarded to AECOM to date total \$215 million, and include assignments in California, Georgia and North Carolina. The CFT program, which has a maximum value of \$10.12 billion over a seven-year period through 2015, provides major and minor inspections, maintenance, modifications and repairs of aircraft and ground vehicles at government locations around the world.

About AECOM

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental and energy.
