*Project will complete 26.5-mile Green Line and 20-mile expansion of the Orange and Blue lines*

LOS ANGELES--(BUSINESS WIRE)--Sep. 29, 2009-- AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it has been awarded a US\$19.3-million extension contract, the first of three possible one-year option periods, from Dallas Area Rapid Transit (DART) to complete the second phase of its light rail expansion program.

The project will complete the 26.5-mile Green Line and expand 20 miles of the Orange and Blue lines. Under the extension, AECOM will provide a variety of project control, system integration and staff support services.

"AECOM has worked closely with DART for nearly two decades," said John M. Dionisio, AECOM president and chief executive officer. "We are proud to continue this relationship as we enhance the mass transit systems of Dallas."

AECOM's work on the current light rail contract began during 2002 and has a value of US\$58.1 million to date.
