AECOM to participate in Bank of America Merrill Lynch Global Industrials and EU Autos Conference on March 19

LOS ANGELES (March 11, 2014) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private clients in more than 150 countries around the world, announced today that Chief Financial Officer Stephen M. Kadenacy will be speaking at the Bank of America Merrill Lynch Global Industrials and EU Autos Conference in London, with AECOM presenting on Wednesday, March 19, at 11:25 a.m. local time.

The conference will include a discussion of the company's long-term strategy and financial and operating performance. All conference materials will be available at investors.aecom.com by the start of the conference.

Access to a live webcast of the Bank of America Merrill Lynch Global Industrials and EU Autos Conference will also be available on the Investors page.

About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 150 countries and had revenue of \$8.1 billion during the 12 months ended Dec. 31, 2013. More information on AECOM and its services can be found at www.aecom.com.
