AECOM to announce fiscal year 2012 third-quarter results on Aug. 7

Company to hold conference call and webcast

LOS ANGELES (July 13, 2012) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for public and private sector clients in more than 130 countries around the world, will release results for its fiscal year 2012 third quarter, which ended on June 30, 2012, before the opening of trading on the New York Stock Exchange on Tuesday, Aug. 7, 2012.

The company will host a conference call at 11 a.m. Eastern Daylight Time, during which management will make a brief presentation focusing on the company's results, strategies and operating trends. Those wishing to dial in to the call via telephone can do so by dialing 800-706-7741 or 617-614-3471 and entering the passcode 61587083.

Interested parties can listen to the conference call and view accompanying slides via webcast at <http://www.aecom.com>. The webcast will be available for replay following the call.

About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural, and social environments. A *Fortune 500* company, AECOM serves clients in more than 130 countries and had revenue of \$8.2 billion during the 12 months ended March 31, 2012. More information on AECOM and its services can be found at www.aecom.com.
