LOS ANGELES (August 8, 2007) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today its financial results for the third quarter of fiscal year 2007 ended June 30, 2007.

AECOM reported net earnings of \$24.2 million for the third quarter, or diluted earnings per share (EPS) of \$0.26. This represents an increase of 82% over net earnings of \$13 million for the same period last year. These results include a one-time pre-tax cost of approximately \$3.2 million, or \$0.02 EPS, associated with a make-whole payment incurred upon the early retirement payment of debt.

Third-quarter revenue increased to \$1.1 billion, 21% higher than the third quarter of fiscal year 2006. For the first nine months of fiscal year 2007, AECOM reported revenue of \$3.1 billion, which is 24% higher than the first nine months of fiscal year 2006. Additionally, the company has reported revenue totaling more than \$4 billion for the last 12 months ended June 30, 2007.

“Solid growth, across our practice areas and throughout our global operations, contributed to positive results in our fiscal third quarter,” said John M. Dionisio, AECOM president and chief executive officer. “These results reflect the success of our growth and diversification strategies, and the strength of our end markets.”

Business Segments

In addition to providing consolidated financial results, AECOM reports separate financial information for its two segments: Professional Technical Services (PTS) and Management Support Services (MSS).

The PTS segment delivers planning, consulting, architecture and engineering design, and program and construction management services to institutional, commercial and government clients worldwide. For the third quarter of fiscal 2007, the PTS segment reported revenue of \$903.4 million and operating income of \$50.7 million, compared to revenue of \$720.3 million and operating income of \$34.6 million for the same period in fiscal year 2006.

The MSS segment provides facilities management and maintenance, training, logistics, consulting, technical assistance and systems integration services, primarily for agencies of the U.S. government. For the third quarter of fiscal year 2007, the MSS segment reported revenue of \$196.3 million and operating income of \$9.3 million, compared to revenue of \$190.7 million and operating income of \$6.5 million for the same period in fiscal year 2006.

Outlook

AECOM announced backlog and selected-not-booked totaling \$6.2 billion at June 30, 2007, a 25% increase year over year and a 30% increase year to date.

“Our end market activity continues to grow, as we win projects at a strong pace and build our global book of business,” said Michael S. Burke, AECOM executive vice president, chief corporate officer and chief financial officer. “Based on these results, we expect our fully-diluted earnings per share results for fiscal year 2007 to be in the range of \$1.09 to \$1.11.”

AECOM is hosting a conference call today at 11 a.m. EDT, during which management will make a brief presentation focusing on the company’s results, strategies and operating trends. Interested parties can listen to the conference call and view accompanying slides via webcast on the Internet at www.aecom.com. The webcast will be available for replay following the call.
