Item 1.01. Entry into a Material Definitive Agreement.

Indenture

On October 6, 2014, AECOM Technology Corporation (the "Company") completed an offering of \$800,000,000 aggregate principal amount of its 5.750% Senior Notes due 2022 (the "2022 Notes") and \$800,000,000 aggregate principal amount of its 5.875% Senior Notes due 2024 (the "2024 Notes") and, together with the 2022 Notes, the "Notes"). The Notes were sold in the United States to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States pursuant to Regulation S under the Securities Act.

The Notes were issued pursuant to an indenture, dated as of October 6, 2014 (the "Indenture"), by and among the Company, the Guarantors party thereto, and U.S. Bank, National Association, as trustee (the "Trustee"). The Company intends to use the net proceeds of the offering of the Notes, together with cash and borrowings under certain term loans and credit facilities, to pay the cash consideration pursuant to the Company's previously disclosed acquisition of URS Corporation ("URS"), pursuant to an Agreement and Plan of Merger dated July 11, 2014 (the "Merger Agreement"), to pay fees and expenses in connection with the transactions contemplated by the Merger Agreement, and to repay existing indebtedness of the Company and URS.

The proceeds of the Notes offering were placed in an escrow account pending the consummation of the URS acquisition and certain other conditions (the "Escrow Release Conditions").

Interest will be payable on the 2022 Notes at a rate of 5.750% per annum and on the 2024 Notes at a rate of 5.875% per annum. Interest on both series of Notes will be payable semi-annually on April 15 and October 15 of each year, commencing on April 15, 2015. The 2022 Notes will mature on October 15, 2022, and the 2024 Notes will mature on October 15, 2024.

At any time prior to October 15, 2017, the Company may redeem all or part of the 2022 Notes, at a redemption price equal to 100% of their principal amount, plus a “make whole” premium as of the redemption date, and accrued and unpaid interest (subject to the rights of holders of record on the relevant record date to receive interest due on the relevant interest payment date). In addition, at any time prior to October 15, 2017, the Company may redeem up to 35% of the original aggregate principal amount of the 2022 Notes with the proceeds of one or more equity offerings, at a redemption price equal to 105.750%, plus accrued and unpaid interest. Furthermore, at any time on or after October 15, 2017, the Company may redeem the 2022 Notes, in whole or in part, at once or over time, at the specified redemption prices plus accrued and unpaid interest thereon to the redemption date.

At any time prior to July 15, 2024, the Company may redeem on one or more occasions all or part of the 2024 Notes at a redemption price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) a “make-whole” premium as of the date of the redemption, plus any accrued and unpaid interest to the date of redemption. In addition, on or after July 15, 2024, the 2024 Notes may be redeemed by the Company at a redemption price of 100% of the principal amount thereof, plus accrued and unpaid interest to the date of redemption.

If the URS acquisition is not consummated or the Escrow Release Conditions are otherwise not satisfied prior to July 11, 2015, the Notes will be subject to a special mandatory redemption at a redemption price equal to 100.00% of the aggregate principal amount of the Notes, plus accrued and unpaid interest to, but not including, the redemption date.

The Indenture contains customary events of default, including, among other things, payment default, exchange default, failure to provide certain notices thereunder and certain provisions related to bankruptcy events. The Indenture also contains customary negative covenants.

The Notes have not been registered under the Securities Act, or any state securities laws, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. This Current Report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any offer, solicitation or sale of, the Notes in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

The description of the Indenture and the Notes in this Current Report on Form 8-K is a summary and is qualified in its entirety by reference to the text of the Indenture, which is filed as Exhibit 4.1 hereto and incorporated herein by reference.

Registration Rights Agreement

In connection with the offering of the Notes, the Company entered into a Registration Rights Agreement, dated as of October 6, 2014 (the “Registration Rights Agreement”), with the AECOM Guarantors party thereto, on the one hand, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the initial purchasers of the Notes (the “Initial Purchasers”), on the other hand. In addition, upon the consummation of the URS acquisition, URS and certain of its subsidiaries which will guarantee the Notes will become parties to the Registration Rights Agreement by executing a joinder thereto.

Under the Registration Rights Agreement, the Company and the AECOM Guarantors have agreed to use their commercially reasonable efforts to (i) file with the U.S. Securities and Exchange Commission (the “SEC”) a registration statement (the “Exchange Offer Registration Statement”) relating to the registered exchange offer (the “Exchange Offer”) to exchange the Notes for a new series of the Company’s exchange notes having terms substantially identical in all material respects to, and in the same aggregate principal amount as the Notes, (ii) cause the Exchange Offer Registration Statement to be declared effective by the SEC on or prior to the 390th day following October 6, 2014 (or if such 390th day is not a business day, the next succeeding business day (the “Exchange Date”)), (iii) cause the Exchange Offer Registration Statement to be effective continuously and keep the exchange offer open for a period not less than 30 days after the date notice of the exchange offer is mailed to the holders of the Notes and (iv) cause the Exchange Offer to be consummated in no event later than the Exchange Date.

Under certain circumstances, the Company and the AECOM Guarantors have agreed to use their commercially reasonable efforts to (i) file a shelf registration statement relating to the resale of the Notes on or prior to the Exchange Date (such date being the “Shelf Filing Deadline”), (ii) cause the shelf registration statement to be declared effective not later than the 60th day after the Shelf Filing Deadline (or if such 60th day is not a business day, the next succeeding business day) and (iii) keep such shelf registration continuously effective until two years after its effective date (or such shorter period that will terminate when all the Notes covered thereby have been sold pursuant thereto).

If the Company fails to meet any of these targets, the annual interest rate on the Notes will increase by 0.25%, and will increase by an additional 0.25% for each subsequent 90-day period during which the default continues, up to a maximum additional interest rate of 1.0% per year. If the Company cures the default, the interest rate on the Notes will revert to the original level.

The description of the Registration Rights Agreement in this Current Report on Form 8-K is a summary and is qualified in its entirety by reference to the complete text of the Registration Rights Agreement, which is filed as Exhibit 4.2 hereto and is incorporated herein by reference.

(a) *General.* The Notes and the Trustee’s certificate of authentication shall be substantially in the form set forth in Exhibit A-1 hereto, in the case of the 2022 Notes and Exhibit A-2 hereto, in the case of the 2024 Notes. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note shall be dated the date of its authentication. The Notes shall be issued in registered global form without interest coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes of each series shall constitute, and are hereby expressly made, a part of this Indenture, and the Company, the Subsidiary Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note of such series conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

In any case where an Interest Payment Date or any other Stated Maturity of any payment required to be made on the Notes shall not be a Business Day, then each such payment need not be made on such date, but shall be made on the next succeeding Business Day with the same force and effect as if made on such Interest Payment Date or Stated Maturity of such payment and no additional interest shall be payable as a result of such delay in payment.

(b) *Global Notes.* Notes issued in global form shall be substantially in the form set forth in Exhibit A-1 hereto, in the case of the 2022 Notes and Exhibit A-2 hereto, in the case of the 2024 Notes (and shall include the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). (j) *General Provisions Relating to Transfers and Exchanges.*

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Holder will be required to pay a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.11, 3.06, 3.07, 4.10, 4.14 and 9.05).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except for the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid and legally binding obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Company or the Registrar shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes of such series for redemption under Section 3.02 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Note of such series so selected for redemption in whole or in part, except the unredeemed portion of any Note of such series being redeemed in part, (C) to register the transfer of or to exchange a Note between a record date and the next succeeding Interest Payment Date or (D) to register the transfer of or to exchange a Note tendered and not withdrawn in connection with a Change of Control Offer or an Asset Disposition Offer.

(vi) Subject to the rights of Holders as of the relevant record date to receive interest on the corresponding Interest Payment Date and Section 2.13, prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.07 to effect a registration of transfer or exchange may be submitted by facsimile or electronically.

(ix) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of

40

any interest in any Notes (including any transfers between or among the Depositary's participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation as expressly required by, and to do so if and when expressly required by, the terms of this Indenture and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.08. Replacement Notes.

(a) If any mutilated Note is surrendered to the Trustee or the Company or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's and the Company's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by or on behalf of the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Subsidiary Guarantors, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

(b) Every replacement Note is an additional obligation of the Company and the Subsidiary Guarantors and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.09. Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section as not outstanding. Except as set forth in Section 2.10, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; *provided, however*, that Notes held by the Company or a Subsidiary of the Company shall be deemed to be not outstanding for purposes of Section 3.07(b) or as otherwise provided in this Indenture.

(b) If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

(c) If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

(d) If the Paying Agent (other than the Company, a Subsidiary of the Company or an Affiliate of any of the foregoing) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.10. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notwithstanding the foregoing, Notes that are to be acquired by the Company, any Subsidiary of the Company or an Affiliate of the Company pursuant to an exchange offer, tender offer or other similar agreement shall not be deemed to be owned by the Company, a Subsidiary of the Company or an Affiliate of the Company until legal title to such Notes passes to the Company, such Subsidiary or such Affiliate, as the case may be.

Section 2.11. Temporary Notes.

Pending the preparation of definitive Notes, the Company may execute and the Trustee shall authenticate and make available for delivery temporary Notes, which may be printed, typewritten or otherwise reproduced, in each case in form reasonably acceptable to the Trustee. Temporary Notes may be issued in any authorized denomination

and substantially in the form of the definitive Notes of the same series but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Company with the reasonable concurrence of the Trustee. Temporary Notes may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary Note shall be executed by the Company and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as definitive Notes of the same series. Without unreasonable delay the Company shall execute and shall furnish definitive Notes and thereupon temporary Notes of the same series may be surrendered in exchange therefor without charge at each office or agency to be maintained by the Company for that purpose pursuant to Section 4.02, and the Trustee shall authenticate and make available for delivery in exchange for such temporary Notes a like aggregate principal amount of definitive Notes of the same series of authorized denominations. Until so exchanged, the temporary Notes shall be entitled to the same benefits under this Indenture as definitive Notes.

Section 2.12. Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of canceled Notes in accordance with its procedures for the disposition of canceled securities in effect as of the date of such disposition (subject to the record retention requirements of the Exchange Act). Certification of the disposition of all canceled Notes shall be delivered to the Company upon cancellation. The Trustee shall provide the Company a list of all Notes that have been canceled upon the Company's written request. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13. Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date, *provided* that no such special record date shall be less than 5 days prior to the related payment date for such defaulted interest. At least 10 days before the special record date, the Company (or, upon the written request of the Company given at least five Business Days before such notice is to be sent, unless a shorter period shall be satisfactory to the Trustee, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed, or in the case of Global Notes, send in accordance with the Applicable Procedures of the Depository to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.14. CUSIP Numbers.

The Company in issuing the Notes of each series may use "CUSIP" numbers if then generally in use and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders. Any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes of such series or as contained in any notice of a redemption and that reliance may be placed only on the other

identification numbers printed on the Notes of each series. No such redemption shall be affected by any defect in or omission of such numbers. The Company promptly shall notify the Trustee of any change in the CUSIP numbers.

(a) If less than all of the 2022 Notes or 2024 Notes, as the case may be, are to be redeemed at any time, and the Notes are Global Notes, they will be selected for redemption in accordance with Applicable Procedures of the Depositary. If the Notes are not Global Notes, the Trustee shall select the Notes to be redeemed among the Holders of the Notes (1) in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or (2) if the Notes are not so listed, on a *pro rata* basis, by lot or in accordance with the Applicable Procedures of the Depositary. - (ii) the redemption price (or manner of calculation if not then known);
- (iii) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes of the same series in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder thereof upon cancellation of the original Note (or if the Note is a Global Note, an adjustment shall be made to the schedule attached thereto);

- (viii) any conditions precedent to which such redemption is subject; and
- (ix) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes of either series.

(b) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company shall have delivered to the Trustee, at least 5 days prior to the date on which notice is to be given (or at least three Business Days prior to the date on which notice is to be given in the case of a Special Mandatory Redemption and, in either case, unless a shorter period shall be satisfactory to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. The notice, if sent in the manner provided herein, shall be presumed to have been given, whether or not the Holder receives such notice.

(c) Any notice of redemption in connection with any Qualified Equity Offering or other securities offering or any other financing, or in connection with a transaction (or series of related transactions) that constitutes a Change of Control, may, at the Company's discretion, be given prior to the completion thereof and be subject to one or more conditions precedent, including completion of the related Qualified Equity Offering, securities offering, financing or Change of Control.

The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a record date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal from the redemption date until such principal is paid and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

(i) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is a lease, license or similar contract;

(ii) contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary to the extent such encumbrance or restriction restricts the transfer of the property subject to such security agreements or mortgages; or

(iii) arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that does not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary thereof in any manner material to the Company or any Restricted Subsidiary thereof;

51

(E) any encumbrance or restriction on cash or other deposits or net worth imposed by customers or lessors or required by insurance, surety or bonding companies, in each case under contracts entered into in the ordinary course of business;

(F) with respect to a Restricted Subsidiary, any encumbrance or restriction imposed pursuant to an agreement entered into for the sale or disposition of a substantial portion of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;

(G) provisions limiting the disposition or distribution of assets or property or assignment in joint venture agreements, asset sale agreements, leases, intellectual property licenses, sale-leaseback agreements, stock sale agreements and other similar agreements entered into in the ordinary course of business;

(H) any encumbrance or restriction existing under, by reason of or with respect to Indebtedness Incurred by any Restricted Subsidiary permitted to be Incurred under Section 4.09, *provided* that the Company determines in good faith at the time such Indebtedness is Incurred that such encumbrance or restriction would not impair the ability of the Company to make payments of interest and principal on the Notes when due;

(I) any encumbrance or restriction in any agreement or instrument of a Receivables Subsidiary governing or in connection with a Qualified Receivables Transaction; *provided* that such restrictions apply only to such Receivables Subsidiary or the Receivables that are subject to such Qualified Receivables Transaction;

(J) existing under, by reason of or with respect to Indebtedness Incurred by Foreign Subsidiaries permitted to be Incurred under Section 4.09;

(K) existing by reason of any contractual obligation that is reasonably determined by the Company not to materially adversely affect the ability of the Company to perform its obligations under this Indenture, the Notes, or the Exchange Notes; or

(L) existing by reason of this Indenture, the Notes, the Exchange Notes or the Note Guarantees.

Section 4.09. Limitations on Indebtedness.

(a) The Company will not, and will not permit any Restricted Subsidiary to, Incur, directly or indirectly, any Indebtedness; *provided, however*, that the Company or any Restricted Subsidiary may Incur Indebtedness if on the date of such Incurrence and after giving effect thereto and to the application of the net proceeds therefrom the Consolidated Coverage Ratio would be greater than 2.0 to 1.0.

(b) Notwithstanding Section 4.09(a), the Company and its Restricted Subsidiaries may Incur the following Indebtedness:

(1) Indebtedness under Credit Facilities in an aggregate principal amount not to exceed \$5,300,000,000, less the aggregate amount of all Net Available Cash from Asset Dispositions applied by the Company or any Restricted Subsidiary thereof to permanently repay any such Indebtedness pursuant to Section 4.10;

(2) Indebtedness of the Company owed to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owed to and held by the Company or any other Restricted Subsidiary; *provided, however*, that any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Indebtedness (except to the Company or a Restricted Subsidiary) shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the issuer thereof not permitted by this clause (2);

(3) Indebtedness (A) represented by the Notes of each series (not including any Additional Notes of such series) and the Subsidiary Guarantees (and any Exchange Notes of each series and Guarantees thereof) or (B) outstanding on the Effective Date (other than the Indebtedness described in clause (1) or (2) above) after giving effect to the use of proceeds from the Notes of each series and the other Transactions;

(4) the Incurrence by the Company or any Restricted Subsidiary of Refinancing Indebtedness in exchange for, or the net proceeds of which are used to Refinance, Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be Incurred under Section 4.09(a) or clause (3) (including the Exchange Notes and any Guarantees thereof), (4), (8) or (10) of this Section 4.09(b);

(5) obligations (contingent or otherwise) existing or arising under any Swap Contract, *provided* that such obligations are (or were) entered into by such Person for the purpose of directly mitigating risks associated with fluctuations in interest rates or foreign exchange rates;

(6) Indebtedness consisting of Guarantees by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary otherwise permitted under this Section 4.09;

(7) Indebtedness of the Company or any of its Restricted Subsidiaries arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of its Incurrence;

(8) Indebtedness in respect of Capitalized Leases, Synthetic Lease Obligations and purchase money obligations for fixed or capital assets within the limitations set forth in clause (5) of the definition of "Permitted Liens"; *provided, however*, that the aggregate amount of all such Indebtedness outstanding as of the date of any such incurrence shall not exceed the greater of (i) \$300,000,000 and (ii) 7.5% of Consolidated Net Worth as of the last day of the most recent fiscal year;

(9) Indebtedness in the nature of Qualified Receivables Transactions and/or factoring arrangements entered into on customary terms, including limited recourse of the obligee thereof to the relevant Receivables Subsidiary and the receivables being securitized and/or factored (and

customary replacements or substitutions thereof), in an aggregate amount not to exceed \$400,000,000 at any time outstanding;

(10) Indebtedness of any Person that becomes a Restricted Subsidiary of the Company or related to any asset acquired after the Effective Date pursuant to an acquisition permitted hereunder and any Refinancing Indebtedness thereof; *provided that*, (A) such Indebtedness was not incurred in anticipation of such acquisition, (B) neither the Company nor any Restricted Subsidiary (other than the acquired Restricted Subsidiaries) is an obligor with respect to such Indebtedness and (C) such Indebtedness is either unsecured or secured solely by Liens on assets of the acquired Restricted Subsidiary, or on the acquired assets, and, in each case, proceeds thereof, permitted by, and within the limitations set forth in clause (6) of the definition of “Permitted Liens”;

(11) Indebtedness of a foreign Restricted Subsidiary in an aggregate principal amount outstanding as of the date of any such incurrence not to exceed the greater of (i) \$300,000,000 and (ii) 7.5% of Consolidated Net Worth as of the last day of the most recent fiscal year;

(12) obligations (including in respect of letters of credit, bank guarantees, bankers’ acceptances, warehouse receipts or similar instruments issued or created in the ordinary course of business) in respect of bids, tenders, trade contracts, governmental contracts and leases, construction contracts, statutory obligations, surety, stay, customs, bid, and appeal bonds, performance and return of money bonds, performance and completion guarantees, agreements with utilities and other obligations of a like nature (including those to secure health, safety and environmental obligations), in each case in the ordinary course of business and either (i) consistent with past practices, (ii) reasonably necessary for the operation of the business of the

53

Company and its Restricted Subsidiaries as determined by the Company or such Restricted Subsidiary in good faith or (iii) not in connection with the borrowing of money;

(13) Indebtedness of AECOM Capital (or Subsidiaries of, or Joint Ventures formed by, AECOM Capital) in connection with projects or investments of AECOM Capital (or Subsidiaries of, or Joint Ventures formed by, AECOM Capital);

(14) vendor financing in an aggregate principal amount not to exceed \$100,000,000 at any time outstanding;

(15) Indebtedness relating to insurance premium financings incurred in the ordinary course of business;

(16) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earn-out or similar obligations, or letters of credit, surety bonds or performance bonds securing any obligations of the Company or any of its Restricted Subsidiaries pursuant to such agreements, in each case, Incurred or assumed in connection with the acquisition or disposition of any business or assets of the Company or any business, assets or Capital Stock of a Restricted Subsidiary or any business, assets or Capital Stock of any Person;

(17) Indebtedness to the extent that the net proceeds thereof are promptly deposited to defease or to satisfy and discharge the Notes in each case in accordance with the requirements of this Indenture; and

(18) other Indebtedness in an aggregate principal amount outstanding as of the date of any such incurrence not to exceed the greater of (i) \$250,000,000 and (ii) 6.25% of Consolidated Net Worth as of the last day of the most recent fiscal year.

(c) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rates of currencies. For purposes of determining the outstanding amount of any particular Indebtedness Incurred pursuant to this Section 4.09:

(1) Indebtedness Incurred pursuant to the Credit Agreement prior to or on the Effective Date shall be treated as Incurred pursuant to Section 4.09(b)(1),

(2) Indebtedness permitted by this Section 4.09 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.09 permitting such Indebtedness,

(3) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in this Section 4.09, the Company, in its sole discretion, shall classify (and, except as provided in clause (1) of this Section 4.09(c), may later reclassify) such Indebtedness and only be required to include the amount of such Indebtedness in one of such clauses; and

(4) Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the calculation of such particular amount.

Accrual of interest, accrual of dividends, the accretion of accreted value, the amortization of debt discount, and the payment of interest in the form of additional Indebtedness will not be deemed to be an incurrence of Indebtedness for purposes of this Section 4.09.

The Company will not Incur any Indebtedness if such Indebtedness is subordinate or junior in ranking in any respect to any other Indebtedness unless such Indebtedness is expressly subordinated in right of payment to the

54

Notes of each series to the same extent. No Subsidiary Guarantor will Incur any Indebtedness if such Indebtedness is subordinate or junior in ranking in any respect to any other Indebtedness of such Subsidiary Guarantor unless such Indebtedness is expressly subordinated in right of payment to the Subsidiary Guarantee of such Subsidiary Guarantor to the same extent. For purposes of the foregoing, no Indebtedness will be deemed to be subordinated in right of

payment to any other Indebtedness of the Company or any Subsidiary Guarantor, as applicable, solely by reason of any Liens or Guarantees arising or created in respect of such other Indebtedness of the Company or any Subsidiary Guarantor or by virtue of the fact that the holders of any Secured Indebtedness have entered into intercreditor agreements giving one or more of such holders priority over the other holders in the collateral held by them.

Section 4.10. Limitation on Sales of Assets and Subsidiary Stock.

(a) The Company will not, and will not permit any Restricted Subsidiary to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary receives consideration (including by way of relief from, or by any other Person assuming sole responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Disposition at least equal to the Fair Market Value of the shares and assets subject to such Asset Disposition,

(2) at least 75% of the consideration thereof received by the Company or such Restricted Subsidiary is in the form of cash, assets useful in a Permitted Business or Permitted Securities, or the assumption by the purchaser of liabilities of the Company or any Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes) as a result of which the Company and the Restricted Subsidiaries are no longer obligated with respect to those liabilities; *provided* that the amount of any Designated Noncash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Disposition shall be deemed to be cash for the purposes of this provision (but for no other purpose) so long as such amount, taken together with the Fair Market Value when received of all other Designated Noncash Consideration that is at that time outstanding (*i.e.*, that has not been sold for or otherwise converted into cash or Permitted Securities), does not exceed \$50,000,000; *provided, further*, that (A) securities or other assets received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days after the closing of such Asset Disposition shall be considered to be cash to the extent of the cash received in that conversion; and (B) any cash consideration paid to the Company or the Restricted Subsidiary in connection with the Asset Disposition that is held in escrow or on deposit to support indemnification, adjustment of purchase price or similar obligations in respect of such Asset Disposition shall be considered to be cash, and

(3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company (or such Restricted Subsidiary, as the case may be) within 365 days after the later of the date of such Asset Disposition and the receipt of such Net Available Cash:

(A) to prepay, repay, purchase, repurchase, redeem, retire, defease or otherwise acquire for value Secured Indebtedness of the Company or a Subsidiary Guarantor (other than any Disqualified Stock or Subordinated Obligations) or Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, in each case other than Indebtedness owed to the Company or an Affiliate of the Company;

(B) to reinvest in Additional Assets (including by means of an Investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary); *provided*, that a binding commitment to apply Net Available Cash in accordance with this clause (B) shall be treated as an application of such Net Available Cash from the date of such commitment if (i) such reinvestment is consummated within 180 days at the end of such 365 day period referred to in this clause (3) and (ii) if such reinvestment is not consummated within the period set forth in subclause (i) or such binding commitment is terminated, the Net Available Cash shall constitute available Net Available Cash; or

55

(C) (i) to redeem the Notes of either series or make open market purchases thereof at a price not less than 100% of the principal amount thereof or (ii) to make an Asset Disposition Offer to purchase Notes of either series pursuant to and subject to the conditions set forth in Section 4.10(b); *provided, however*, that if the Company elects (or is required by the terms of any Pari Passu Indebtedness), such Asset Disposition Offer may be made ratably (determined based upon the respective principal amounts of the Notes of either series and such Pari Passu Indebtedness being purchased or repaid) to purchase the Notes of either series and to purchase or otherwise repay such Pari Passu Indebtedness;

provided that pending final application of any such Net Available Cash in accordance with clause (3)(A), (B) or (C) above, the Company and the Restricted Subsidiaries may temporarily reduce revolving Indebtedness outstanding under the Credit Agreement or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

To the extent of the balance of such Net Available Cash after application in accordance with clauses (A), (B) and (C) above, the Company or such Restricted Subsidiary, as the case may be, may use such balance for any general corporate purpose not prohibited by the terms of this Indenture. In connection with any prepayment, repayment, purchase, repurchase, redemption, retirement, defeasance or other acquisition for value of Indebtedness pursuant to clause (A) or (C) above, the Company or such Restricted Subsidiary, as the case may be, will retire such Indebtedness and will cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased, repurchased, redeemed, retired, defeased or otherwise acquired for value.

Notwithstanding the foregoing provisions of this Section 4.10, the Company and the Restricted Subsidiaries will not be required to apply any Net Available Cash in accordance with this covenant except to the extent that the aggregate Net Available Cash from all Asset Dispositions that is not applied in accordance with this covenant exceeds \$50,000,000.

(b) In the event of an Asset Disposition that requires the purchase of Notes of either series pursuant to Section 4.10(a)(3)(C), the Company will be required

(i) to purchase Notes of such series tendered pursuant to an offer by the Company for the Notes of such series (the "Asset Disposition Offer") at a purchase price of 100% of their principal amount plus accrued and unpaid interest thereon to the date of purchase (subject to the right of Holders of record on the relevant date to receive interest due on the relevant Interest Payment Date) in accordance with the procedures, including prorating in the event of oversubscription, set forth in this Indenture, and

(ii) to purchase or otherwise repay Pari Passu Indebtedness of the Company on the terms and to the extent contemplated thereby at the purchase price set forth in the relevant documentation (including accrued and unpaid interest to the date of acquisition, the "purchase price"), *provided* that to the extent the purchase price of any such Pari Passu Indebtedness exceeds 100% of the principal amount thereof, plus accrued and

unpaid interest thereon to the date of acquisition, the Company shall not use any Net Available Cash to pay such purchase price, except as permitted by the next sentence. If the aggregate purchase price of Notes of either series and Pari Passu Indebtedness tendered pursuant to the Asset Disposition Offer is less than the Net Available Cash allotted to the purchase of the Notes of such series and Pari Passu Indebtedness, the Company will apply the remaining Net Available Cash for any general corporate purpose not prohibited by the terms of this Indenture. The Company will not be required to make an Asset Disposition Offer for Notes of either series and Pari Passu Indebtedness pursuant to this Section 4.10 if the Net Available Cash available therefor (after application of the proceeds as provided in Section 4.10(a)(3)(A) and (B)) is less than \$50,000,000 for any particular Asset Disposition (which lesser amount will be carried forward for purposes of determining whether an Asset Disposition Offer is required with respect to the Net Available Cash from any subsequent Asset Disposition). Upon consummation of any Asset Disposition Offer, the Net Available Cash in respect of any Asset Disposition(s) shall be reduced to zero.

(c) (i) Promptly, and in any event within 10 days after the Company becomes obligated to make an Asset Disposition Offer, the Company shall be obligated to deliver to the Trustee and send or, at the request

56

of the Company have the Trustee send (such notice to be provided to the Trustee at least five Business Days before the Trustee is requested to send such notice, unless a shorter period shall be satisfactory to the Trustee), in the name and on behalf of the Company, by first-class mail to each Holder, or in the case of Global Notes, send in accordance with the Applicable Procedures of the Depositary, a written notice stating that the Holder may elect to have its Notes of either series purchased by the Company either in whole or in part (subject to prorating as hereinafter described in the event the Asset Disposition Offer is oversubscribed) in minimum denominations of \$2,000 of principal amount or any greater integral multiple of \$1,000 thereof, at the applicable purchase price. The notice shall specify a purchase date not less than 30 days nor more than 60 days after the date of such notice (the "Purchase Date") and shall contain such information concerning the business of the Company which the Company in good faith believes will enable such Holders to make an informed decision (which at a minimum shall include (1) the most recently filed Annual Report on Form 10-K (including audited consolidated financial statements) of the Company, the most recent subsequently filed Quarterly Report on Form 10-Q and any Current Report on Form 8-K of the Company filed subsequent to such Quarterly Report, other than Current Reports describing Asset Dispositions otherwise described in the offering materials (or corresponding successor reports); *provided* that in lieu of providing the reports specified in this subclause (1), the Company may, at its option, notify the holders that such reports are available to them in electronic format through the SEC's EDGAR system, (2) a description of material developments in the Company's business subsequent to the date of the latest of such reports, and (3) if material, appropriate pro forma financial information) and all instructions and materials necessary to tender Notes pursuant to the Asset Disposition Offer, together with the address referred to in clause (iii).

(ii) Not later than the date upon which written notice of an Offer is delivered to the Trustee as provided above, the Company shall deliver to the Trustee an Officers' Certificate as to (1) the amount of the Asset Disposition Offer (the "Asset Disposition Offer Amount"), (2) the allocation of the Net Available Cash from the Asset Dispositions pursuant to which such Asset Disposition Offer is being made and (3) the compliance of such allocation with the provisions of Section 4.10 (a) and (b). On the Business Day immediately preceding the Purchase Date, the Company shall irrevocably deposit with the Trustee or with a paying agent (or, if the Company is acting as its own paying agent, segregate and hold in trust) an amount equal to the Asset Disposition Offer Amount to be invested, at the Company's written directions, in Cash Equivalents and to be held for payment in accordance with the provisions of this Section. Upon the expiration of the period for which the Asset Disposition Offer remains open (the "Asset Disposition Offer Period"), the Company shall deliver to the Trustee for cancellation the Notes or portions thereof that have been properly tendered to and are to be accepted by the Company. The Trustee (or the Paying Agent, if not the Trustee) shall, on the Purchase Date, mail or deliver payment to each tendering Holder in the amount of the purchase price for such Holder's tendered Notes. In the event that the Asset Disposition Offer Amount delivered by the Company to the Trustee is greater than the purchase price of the Notes tendered, the Trustee shall deliver the excess to the Company promptly after the expiration of the Asset Disposition Offer Period for application in accordance with this Section 4.10.

(iii) Holders electing to have a Note of either series purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the Purchase Date. Holders shall be entitled to withdraw their election if the Company receives not later than one Business Day prior to the Purchase Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered by the Holder for purchase and a statement that such Holder is withdrawing its election to have such Note purchased. If at the expiration of the Asset Disposition Offer Period the aggregate principal amount of Notes surrendered by holders thereof plus the purchase price of other Pari Passu Indebtedness of the Company or the Subsidiary Guarantors being purchased or otherwise repaid exceeds the amount of Net Available Cash, the Company shall select the Notes and other Pari Passu Indebtedness to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Company so that only Notes and other Pari Passu Indebtedness in minimum denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased). Holders whose Notes are purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

57

(iv) At the time the Company delivers Notes to the Trustee that are to be accepted for purchase, the Company shall also deliver an Officers' Certificate stating that such Notes are to be accepted by the Company pursuant to and in accordance with the terms of this Section. A Note shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(v) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes of either series pursuant to this Section 4.10. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.10, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.10 by virtue thereof.

Section 4.11. Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) involving payments in excess of \$10,000,000 with any Affiliate of the Company (an "Affiliate Transaction") unless such transaction is on terms:

- (1) that are no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained at the time of such transaction in arm's length dealings with a Person who is not such an Affiliate,
- (2) that, in the event such Affiliate Transaction involves an aggregate amount in excess of \$25,000,000,
 - (A) are set forth in writing, and
 - (B) have been approved by a majority of the members of the Board of Directors having no personal stake in such Affiliate Transaction, and
- (3) that, in the event such Affiliate Transaction involves an amount in excess of \$100,000,000, have been determined by a nationally recognized appraisal or investment banking firm to be fair, from a financial point of view, to the Company and its Restricted Subsidiaries.
- (b) The provisions of Section 4.11(a) will not prohibit:
 - (1) any Permitted Investment or any Restricted Payment permitted to be paid or made pursuant to Section 4.07,
 - (2) any issuance of shares of Capital Stock of the Company,
 - (3) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged or consolidated with or into the Company or a Restricted Subsidiary, as such agreement may be amended, modified, supplemented, extended or renewed from time to time; *provided* that such agreement was not entered into in contemplation of such acquisition, merger or consolidation, and so long as any such amendment, modification, supplement, extension or renewal, when taken as a whole, is not materially more disadvantageous to the Holders, in the reasonable determination of an Officer of the Company, than the applicable agreement as in effect on the date of such acquisition, merger or consolidation,
 - (4) any employment arrangements, employee benefit plans or arrangements (including pension plans, health and life insurance plans, retiree medical plans, deferred compensation plans, indemnification agreements, stock options and restricted stock and stock ownership plans) or related trust agreements

or similar arrangements, in each case, approved by the Board of Directors and any grant or issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, any of the foregoing,

- (5) (i) reimbursement of officer, director and employee travel and lodging costs and other business expenses incurred in the ordinary course of business and (ii) loans and advances to officers, directors and employees of the Company and Restricted Subsidiaries for travel, entertainment, relocation and analogous ordinary business purposes,
- (6) the payment of reasonable fees to, and customary indemnities provided to, directors of the Company or its Subsidiaries,
- (7) any transaction between the Company and a Restricted Subsidiary or between Restricted Subsidiaries,
- (8) the provision by Persons who may be deemed Affiliates of the Company of investment advisory services to the Company or its Restricted Subsidiaries with respect to the Company's or its Restricted Subsidiaries' employee benefit plans,
- (9) transactions pursuant to any contract, agreement or instrument in effect on the Effective Date, as amended, modified or replaced from time to time, so long as the amended, modified or new agreements, taken as a whole, are not materially less favorable to the Company and the Restricted Subsidiaries than those in effect on the Effective Date,
- (10) sales, contributions, conveyances and other transfers of Receivables and related assets of the type specified in the definition of Qualified Receivables Transaction to a Receivables Subsidiary or any other similar transactions in connection with any Qualified Receivables Transaction;
- (11) transactions with customers, clients, joint venture partners, suppliers or purchasers or sellers of goods or services in the ordinary course of business of the Company and its Restricted Subsidiaries and otherwise in compliance with the terms of this Indenture, or
- (12) any payments or other transaction pursuant to any tax sharing agreement between the Company and any other Person with which the Company files a consolidated tax return or with which the Company is part of a consolidated group for tax purposes.

Section 4.12. Limitation on Liens.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien securing Indebtedness on any property or asset now owned or hereafter acquired by the Company or such Restricted Subsidiary, except Permitted Liens, without making effective provision whereby any and all Notes and Subsidiary Guarantees then or thereafter outstanding will be secured by a Lien equally and ratably with or prior to any and all Indebtedness thereby secured for so long as any such Indebtedness shall be so secured.

Any Lien created for the benefit of Holders pursuant to the preceding paragraph may provide by its terms that any such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Lien securing such other Indebtedness.

Section 4.13. [Intentionally Omitted]

Section 4.14. Change of Control.

(a) Upon the occurrence of a Change of Control after the Effective Date, each Holder will have the right to require the Company to purchase all or any part of such Holder's Notes of either series at a purchase price in

cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to the date of purchase, subject to the right of Holders of such series of Notes of record on the relevant record date to receive interest due on the relevant Interest Payment Date; *provided, however*, that notwithstanding the occurrence of a Change of Control, the Company shall not be obligated to purchase the Notes of either series pursuant to this section in the event that it has exercised its right to redeem all the Notes of such series under Section 3.07.

(b) Within 45 days following any Change of Control, the Company shall mail, or cause to be mailed, or, in the case of Global Notes, send in accordance with the applicable procedures of the Depositary, a notice to each Holder of such series with a copy to the Trustee (the "Change of Control Offer") stating:

(1) that a Change of Control has occurred and that such Holder has the right to require the Company to purchase all or a portion of such Holder's Notes of each series at a purchase price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to the Change of Control Purchase Date (subject to the right of Holders of such series of Notes of record on the relevant record date to receive interest on the relevant Interest Payment Date);

(2) the purchase date (the "Change of Control Purchase Date"), which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent; and

(3) the instructions determined by the Company, consistent with this covenant, that a Holder must follow in order to have its Notes of either series purchased.

(c) Holders electing to have a Note of either series purchased shall be required to surrender the Note of such series, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the Change of Control Purchase Date. Holders shall be entitled to withdraw their election if the Company receives not later than one Business Day prior to the Change of Control Purchase Date a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Note purchased. Holders whose Notes are purchased only in part shall be issued new Notes of the same series equal in principal amount to the unpurchased portion of the Notes surrendered.

(d) On the Change of Control Purchase Date, all Notes of either series purchased by the Company under this Section 4.14 shall be delivered to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section 4.14, the Company shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 applicable to a Change of Control Offer made by the Company and purchases all Notes of either series validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, with the obligation to pay and the timing of payment conditioned upon the consummation of the Change of Control, if a definitive agreement to effect a Change of Control is in place at the time of the Change of Control Offer.

(f) At the time the Company delivers Notes of either series to the Trustee which are to be accepted for purchase, the Company shall also deliver an Officers' Certificate stating that such Notes are to be accepted by the Company pursuant to and in accordance with the terms of this Section 4.14. A Note of such series shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(g) Prior to any Change of Control Offer, the Company shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Company to make such offer have been complied with.

(h) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes of either series pursuant to this Section 4.14. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.14, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue thereof.

Section 4.15. Corporate Existence.

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended, restated or otherwise modified from time to time) of the Company or any such Restricted Subsidiary, except, with respect to any Restricted Subsidiary, to the extent that the failure to do so is not adverse in any material respect to the Holders of the Notes; and

(b) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, to the extent that failure to do so is not adverse in any material respect to the Holders of the Notes.

Section 4.16. [Intentionally Omitted]

Section 4.17. [Intentionally Omitted]

Section 4.18. Future Subsidiary Guarantors.

The Company will cause each Domestic Restricted Subsidiary that (x) prior to the Effective Date, from time to time is a borrower under or Guarantees Indebtedness of the Company under the Company's Existing Credit Agreements and (y) on and after the Effective Date, from time to time is a borrower under or guarantees Indebtedness of the Company under any Material Credit Facility to become a Subsidiary Guarantor within 30 days of becoming a guarantor under such Material Credit Facility and, if applicable, execute and deliver to the Trustee a supplemental indenture in the form set forth in Exhibit D pursuant to which such Subsidiary will Guarantee payment of the Notes within such 30 day period. The Target and its Subsidiaries that are required to Guarantee the Indebtedness of the Company under the Credit Agreement will become Guarantors substantially concurrently with the closing of the Acquisition. Each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be Guaranteed by that Subsidiary Guarantor, without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 4.19. Suspension of Covenants.

(a) If on any date (the "Suspension Date") following the Effective Date:

(1) the Notes of either series are rated Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the Notes of either series for reasons outside of the control of the Company, the equivalent investment grade credit rating from any other "nationally recognized statistical rating organization" within the meaning of Section 3(a)(62) of the Exchange Act selected by the Company as a replacement agency); and

(2) no Default or Event of Default shall have occurred and be continuing (the occurrence of the events described in the foregoing clause (1) and this clause (2) being collectively referred to as a "Covenant Suspension Event"),

61

then, beginning on that day and subject to the provisions of the following paragraph, the covenants in Sections 4.07, 4.08, 4.09, 4.10, 4.11 and 5.01(a)(3) will be suspended with respect to such series (such suspended covenants, collectively, the "Suspended Covenants").

(b) Upon the occurrence of a Covenant Suspension Event with respect to such series, the amount of Net Available Cash that has not been applied as provided under Section 4.10 shall be set at zero and shall remain at zero during the Suspension Period (as defined below). During the period of time commencing on and after the Suspension Date and ending prior to the Reversion Date (as defined below) (such period, the "Suspension Period"), neither the Company's Board of Directors nor any Officer may designate any of the Company's Subsidiaries as Unrestricted Subsidiaries pursuant to the definition of "Unrestricted Subsidiary."

(c) Notwithstanding the foregoing, if on any date (the "Reversion Date") subsequent to any Suspension Date, the rating on the Notes of such series assigned by either such rating agency should subsequently decline to below Baa3 for Moody's or BBB- for S&P, the Suspended Covenants will be reinstated as of and from the Reversion Date. On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be classified with respect to such series as having been outstanding on the Effective Date, so that it is classified as permitted under Section 4.09(b)(3)(B). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under the reinstated Section 4.07 will be made as if Section 4.07 had been in effect since the date of this Indenture. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under Section 4.07(a). In addition, for purposes of the reinstated Section 4.11 with respect to such series, all agreements and arrangements entered into by the Company or any Restricted Subsidiary with an Affiliate of the Company during the Suspension Period will be deemed to have been existing as of the Effective Date. Also, any encumbrance or restriction of the type referred to in Section 4.08 with respect to such series incurred during the Suspension Period will be deemed to have been in effect on the Effective Date. Notwithstanding the reinstatement of the Suspended Covenants, no Default or Event of Default with respect to such series will be deemed to have occurred solely as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or upon termination of the Suspension Period or thereafter based solely on events that occurred during the Suspension Period).

The Company will notify in writing the Trustee and the Holders upon the occurrence of the Suspension Date and the Reversion Date. The Trustee shall have no duty to monitor or notify the Holders of the occurrence of the Suspension Date or the Reversion Date.

Section 4.20. Additional Interest Notice.

In the event that the Company is required to pay Additional Interest to Holders of Notes of any series pursuant to a Registration Rights Agreement, the Company will provide written notice (an "Additional Interest Notice") to the Trustee of its obligation to pay Additional Interest no later than 15 days prior to the proposed payment date for any Additional Interest, and the Additional Interest Notice shall set forth the amount of Additional Interest to be paid by the Company on such payment date. The Trustee shall not at any time be under any duty or responsibility to any holder of Notes to determine any amount of Additional Interest, or with respect to the nature, extent, or calculation of the amount of Additional Interest owed, or with respect to the method employed in such calculation of any amount of Additional Interest.

ARTICLE FIVE

SUCCESSORS

Section 5.01. Merger and Consolidation.

(a) The Company will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its assets and its Subsidiaries' assets (taken as a whole) to, any Person, unless:

(1) the resulting, surviving or transferee Person (the "Successor Company") will be a corporation, limited partnership or limited liability company organized and existing under the laws of the United

States of America, any State thereof or the District of Columbia, and the Successor Company (if not the Company) will expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Company under the Notes, this Indenture and any Registration Rights Agreement; *provided* that in the case where the Successor Company is not a corporation, a co-obligor on the Notes is a corporation;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction, the Successor Company would have a Consolidated Coverage Ratio equal to or greater than the Consolidated Coverage Ratio of the Company immediately prior to such transaction or would be able to Incur an additional \$1.00 of Indebtedness under Section 4.09(a) provided that this clause (3) will not be applicable to any merger with a Subsidiary solely for the purpose and with the sole effect of reincorporating the Company in another jurisdiction; and

(4) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) complies with this Indenture and, in the case of the Opinion of Counsel, that such supplemental indenture (if any) is the valid, binding obligation of the Successor Company, enforceable against the Successor Company in accordance with its terms.

The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the Notes, this Indenture and any Registration Rights Agreement, and the predecessor Company (except in the case of a lease of all or substantially all its assets) will be released from the obligation to pay the principal of and interest on the Notes.

(b) In addition, the Company will not permit any Subsidiary Guarantor to consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its assets to any Person unless:

(1) immediately after giving effect to such transaction (and, in the case of Section 5.01(b)(2)(x) below, treating any Indebtedness that becomes an obligation of the Successor Guarantor or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Successor Guarantor or such Restricted Subsidiary at the time of such transaction), no Default shall have occurred and be continuing;

(2) either:

(x) the resulting, surviving or transferee Person (the "Successor Guarantor") will be a corporation, limited partnership or limited liability company organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and, other than in the case of a transaction as part of which the Subsidiary Guarantee is being released as otherwise permitted by this Indenture, such Person (if not such Subsidiary Guarantor) will expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee; or

(y) such consolidation, merger, conveyance or transfer complies with the provisions set forth under Section 4.10; and

(3) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

In the case of Section 5.01(b)(2)(x) above, the Successor Guarantor will succeed to, and be substituted for, and may exercise every right and power of, such Subsidiary Guarantor under the Notes, this Indenture and any Registration Rights Agreement, and the predecessor Subsidiary Guarantor (except in the case of a lease of all or substantially all its assets) will be released from the obligation to pay the principal of and interest on the Notes.

Notwithstanding the foregoing (i) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Company or any Subsidiary Guarantor, (ii) the Acquisition shall be permitted and (iii) the requirements of Section 5.01(b) will not apply to any transaction pursuant to which the surviving Person is not the Company or a Person that would be required to become a Subsidiary Guarantor under Section 4.18. For the avoidance of doubt, notwithstanding any other provision hereof, the Company shall be permitted to change its name at any time prior to, on or after the Effective Date.

Section 5.02. Successor Corporation Substituted.

In case of any such consolidation, merger, sale, lease or conveyance, and following such an assumption by the Successor Company, such Successor Company shall succeed to and be substituted for the Company, with the same effect as if it had been named herein. Such Successor Company may cause to be signed, and may issue either in its own name or in the name of the Company prior to such succession, any or all of the Notes issuable hereunder that shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such Successor Company instead of the Company and subject to all the terms, conditions and limitations in this Indenture, the Trustee shall authenticate and shall make available for delivery any Notes that shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Notes which such Successor Company thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Notes so issued shall in all respects have the same legal rank and benefit under this Indenture as the Notes theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Notes had been issued at the date of the execution hereof.

In case of any such consolidation, merger, sale, lease or conveyance such changes in phraseology and form (but not in substance) may be made in the Notes thereafter to be issued as may be appropriate.

In the event of any such sale or conveyance (except in the case of a lease of all or substantially all of the assets of the Company) the Company shall be discharged from all obligations and covenants under this Indenture and the Notes and may be liquidated and dissolved.

ARTICLE SIX

DEFAULTS AND REMEDIES

Section 6.01. Events of Default.

(a) Each of the following is an “Event of Default” with respect to a series of Notes:

- (1) a default in any payment of interest on any Note of such series when due and payable continued for 30 days;
- (2) a default in the payment of principal of any Note of such series when due and payable at its Stated Maturity, upon required redemption or repurchase, upon acceleration or otherwise;
- (3) the failure by the Company to comply with its obligations under Section 5.01;
- (4) the failure by the Company or any Restricted Subsidiary to comply for 60 days after receipt of the written notice referred to in Section 6.01(b) with its other agreements contained in the Notes of either series or this Indenture;

64

(5) the failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary to pay any Indebtedness within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default if the total amount of such Indebtedness unpaid or accelerated exceeds \$150,000,000 (or its foreign currency equivalent) and such failure continues for 10 days after receipt of the written notice referred to in Section 6.01(b);

(6) (A) the Company or any Restricted Subsidiary that is a Significant Subsidiary Guarantor pursuant to or within the meaning of any Bankruptcy Law: (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for any substantial part of its property; (iv) makes a general assignment for the benefit of its creditors; or (v) takes any comparable action under any foreign laws relating to insolvency; or (B) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Company or any Significant Subsidiary Guarantor in an involuntary case; (ii) appoints a custodian of the Company or any Significant Subsidiary Guarantor or for any substantial part of its property; (iii) orders the winding up or liquidation of the Company or any Significant Subsidiary Guarantor; or (iv) any similar relief is granted under any foreign laws with respect to the Company or any Significant Subsidiary Guarantor and the order or decree remains unstayed and in effect for 60 days;

(7) the rendering of any judgment or decree for the payment of money in excess of \$150,000,000 or its foreign currency equivalent (in excess of the amount for which liability for payment is covered by insurance or bonded) against the Company or a Restricted Subsidiary that is a Significant Subsidiary Guarantor if:

(A) an enforcement proceeding thereon is commenced by any creditor or

(B) such judgment or decree remains outstanding for a period of 60 calendar days following such judgment and is not paid, discharged, waived or stayed;

(8) any Subsidiary Guarantee of a Significant Subsidiary Guarantor as of and for the twelve months ended on the end of the most recent fiscal quarter for which financial statements are publicly available ceases to be in full force and effect (except as contemplated by the terms thereof) or any such Significant Subsidiary Guarantor or Person acting by or on behalf of any such Significant Subsidiary Guarantor denies or disaffirms such Significant Subsidiary Guarantor’s obligations under this Indenture or any Subsidiary Guarantee and such Default continues for 10 days after receipt of the notice specified in Section 6.01(b), or

(9) (a) the lien on the Escrow Account created by the Escrow Agreement shall at any time prior to the Effective Date not constitute a valid and perfected Lien on any material portion of the funds in such account, (b) the Escrow Agreement shall for whatever reason be terminated or cease to be in full force and effect (except for expiration in accordance with its terms or amendment, modification, waiver, termination or release in accordance with the terms of this Indenture), (c) the enforceability of the Liens created by the Escrow Agreement shall be contested by the Company or (d) failure by the Company to consummate the special mandatory redemption pursuant to Article Twelve.

(b) A Default under Section 6.01(a)(4) or (5) above will not constitute an Event of Default until the Trustee notifies the Company or the Holders of at least 25% in principal amount of the Notes then outstanding notify the Company and the Trustee of the Default and the Company or the Subsidiary Guarantor, as applicable, does not cure such Default within the time specified in Section 6.01(a)(4) or (5) above after receipt of such notice. The notice must specify the Default, demand that it be remedied and state that the notice is a “Notice of Default.”

Section 6.02. Acceleration.

If an Event of Default (other than an Event of Default relating to Section 6.01(a)(6) as it relates to the Company) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes of either series by notice to the Company and the Trustee (if given by the Holders) may declare the principal

65

of and accrued but unpaid interest on all the Notes of such series to be due and payable. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default occurs under Section 6.01(a)(6) as it relates to the Company, the principal of and interest on all the Notes of each series will become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

The Holders of a majority in principal amount of the Notes of either series by notice to the Trustee may rescind an acceleration with respect to the Notes of such series and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 6.03. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and interest, if any, on the Notes of each series or to enforce the performance of any provision of the Notes of each series or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes of either series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note of either series in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04. Waiver of Past Defaults.

The Holders of a majority in aggregate principal amount of the Notes of either series at the time outstanding, on behalf of the Holders of all the Notes of such series, may waive any past Default hereunder or its consequences, except a Default in the payment of the principal of or interest on any of the Notes of such series.

Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.05. Control by Majority.

The Holders of a majority in aggregate principal amount of the Notes of each series affected and then outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred by this Indenture on the Trustee. The Trustee shall have the right to decline to follow any such direction if (i) such direction shall conflict with law or the provisions of this Indenture or any indenture supplemental hereto, (ii) the Trustee shall determine that the action or proceedings so directed would involve the Trustee in personal liability or (iii) the Trustee in good faith shall so determine that the actions or forbearances specified in or pursuant to such direction would be unduly prejudicial to the interests of Holders of the Notes of such series so affected not joining in the giving of said direction, it being understood that the Trustee shall have no duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders.

Section 6.06. Limitation on Suits.

No Holder of any Notes of a series shall have any right, by virtue or by availing of any provision of this Indenture or the Notes of such series, to institute any action or proceeding at law or in equity or in bankruptcy or otherwise with respect to this Indenture or the Notes of such series, or for the appointment of a trustee, receiver, liquidator, custodian or other similar official or for any other remedy hereunder, unless: (i) such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof; (ii) the Holders of not less than 25% in aggregate principal amount of the Notes of such series shall have made written request upon the

Trustee to institute such action or proceedings in its own name as Trustee hereunder; (iii) such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it as it may require, against the costs, expenses and liabilities to be incurred therein or thereby; (iv) the Trustee for 60 days after its receipt of such notice, request and offer of security or indemnity shall have failed to institute any such action or proceeding; and (v) no direction inconsistent with such written request shall have been given to the Trustee during such 60-day period by Holders of a majority in principal amount of the Notes of such series then outstanding;

it being understood and intended, and being expressly covenanted by every Holder of a Note of either series with every other Holder of a Note of such series and the Trustee, that no one or more Holders of Notes of a series shall have any right in any manner whatever, by virtue or by availing of any provision of this Indenture, to affect, disturb or prejudice the rights of any other such Holder of Notes of such series, or to obtain or seek to obtain priority over or preference to any other such Holder or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of the Notes of such series.

Section 6.07. Rights of Holders of Notes to Receive Payment.

Notwithstanding any provision in this Indenture and any provision of any Notes, the right of any Holder of any Notes of either series to receive payment of the principal of and interest on such Note at the respective rates, in the respective amount on or after the respective due dates expressed in such Note, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee.

If the Company shall fail to pay any installment of interest on any of the Notes of either series when such interest shall have become due and payable, and such default shall have continued for a period of 30 days or shall fail to pay the principal of any of the Notes when the same shall have become

due and payable, whether upon maturity of the Notes or upon any redemption or by declaration or otherwise, then upon demand of the Trustee, the Company will pay to the Trustee for the benefit of the Holders the whole amount that then shall have become due and payable on all Notes of such series for principal of or interest, as the case may be (with interest to the date of such payment upon the overdue principal and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest at the same rate as the rate of interest specified in the applicable series of Notes) and such further amount as shall be sufficient to cover the costs and expenses of collection, including compensation to and reasonable expenses incurred by the Trustee and each predecessor Trustee and their respective agents, attorneys and counsel.

Until such demand is made by the Trustee, the Company may pay the principal of and interest on the applicable series of Notes to the persons entitled thereto, whether or not the principal of and interest on the Notes of such series are overdue.

If the Company and the Subsidiary Guarantors shall fail to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the amounts so due and unpaid. In any such case, the Trustee may prosecute any such action or proceedings to judgment or final decree and may enforce any such judgment or final decree against the Company, any of the Subsidiary Guarantors or any other obligor upon the Notes and collect in the manner provided by Law out of the property of the Company, any of the Subsidiary Guarantors or any other obligor upon the Notes, wherever situated, the amounts adjudged or decreed to be payable.

All rights of action and of asserting claims under this Indenture or under any of the Notes may be enforced by the Trustee without the possession of any of the Notes of either series or the production thereof at any trial or other proceedings relative thereto. Any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust. Any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Trustee, each predecessor Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Notes of such series in respect of which such action was taken.

In any proceedings brought by the Trustee for the Notes of a series, the Trustee shall be held to represent all the Holders of the Notes of such series in respect of which such action was taken, and it shall not be necessary to make any Holders of the Notes of such series parties to any such proceedings.

Section 6.09. Trustee May File Proofs of Claim.

If (i) there shall be pending proceedings relative to the Company, any Subsidiary Guarantor or any other obligor upon the Notes under any Bankruptcy Law, (ii) a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or its property, any Subsidiary Guarantor or its property or such other obligor or (iii) any other comparable judicial proceedings relative to the Company, any Subsidiary Guarantor or other obligor under the Notes, or to the creditors or property of the Company, any Subsidiary Guarantor or such other obligor, shall be pending, and irrespective of whether the principal of the Notes shall then be due and payable or whether the Trustee shall have made any demand, the Trustee shall be entitled and empowered, by intervention in such proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to, and expenses incurred by, the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel) and of the Holders allowed in any judicial proceedings relative to the Company, any Subsidiary Guarantor or other obligor upon all Notes, or to the creditors or property of the Company, any Subsidiary Guarantor or such other obligor; and

(b) to collect and receive any funds or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver, or liquidator, custodian or other similar official is hereby authorized by each of the Holders to make payments to the Trustee for the Notes, and, in the event that such Trustee shall consent to the making of payments directly to the Holders, to pay to such Trustee such amounts as shall be sufficient to cover reasonable compensation to and expenses incurred by such Trustee, each predecessor Trustee and their respective agents, attorneys and counsel and all other amounts due to such Trustee or any predecessor Trustee pursuant to Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. Priorities.

Any amounts collected by the Trustee for the Notes pursuant to this Article Six shall be applied in the following order at the date or dates fixed by such Trustee and, in case of the distribution of such amounts on account of principal or interest, upon presentation of the Notes in respect of which amounts have been collected and stamping or otherwise noting thereon the payment, or issuing Notes in reduced principal amounts in exchange for the presented Notes if only partially paid, or upon surrender thereof if fully paid:

FIRST: To the payment of costs and expenses applicable to the Notes in respect of which amounts have been collected, including compensation to and reasonable expenses incurred by the Trustee and each predecessor Trustee and their respective agents and attorneys and all other amounts due to the Trustee or any predecessor Trustee pursuant to Section 7.07;

SECOND: To the payment of the amounts then due and unpaid for principal of and interest on the Notes in respect of which amounts have been collected, such payments to be made ratably to the Persons entitled thereto, without discrimination or preference, according to the amounts then due and payable on such Notes and any such debt for principal and interest; and

THIRD: To the payment of the remainder, if any, to the Company.

Section 6.11. Undertaking for Costs.

Any court in its discretion may require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit. Any such court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant. The provisions of this Section 6.11 shall not apply, however, to any suit instituted by the Trustee, to any suit instituted by any Holder or group of Holders of Notes holding more than 10% in aggregate principal amount of the Notes or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Notes on or after the due date expressed in such Note.

Section 6.12. Power and Remedies Cumulative; Delay or Omission Not Waiver.

Except as provided in Section 6.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy, to the extent permitted by law, shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

No delay or omission of the Trustee or of any Holder to exercise any right or power accruing upon any Event of Default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Subject to Section 6.06, every power and remedy given by this Indenture or by law to the Trustee or to the Holders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or the Holders.

ARTICLE SEVEN

TRUSTEE

Section 7.01. Duties of Trustee.

(a) If an Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee need perform only those duties that are specifically set forth in this Indenture and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

69

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, in each case, as determined by a final, non-appealable order of a court of competent jurisdiction, except that:

(i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (e) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to extend or risk its own funds or otherwise incur any financial liability unless it receives indemnity satisfactory to it against any loss, liability or expense.

(f) Amounts held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any amounts received by it hereunder except as otherwise agreed in writing with the Company.

Section 7.02. Certain Rights of Trustee.

(a) The Trustee may conclusively rely on, and shall be fully protected in relying upon, any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee shall receive and retain financial reports and statements of the Issuer as provided herein, but shall have no duty to analyze such reports or statements to determine compliance with covenants or other obligations of the Issuer.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall be protected and shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel.

(c) Subject to the provisions of Section 7.01(c), the Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(d) The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon in accordance with such advice or Opinion of Counsel.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(f) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible or liable for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, Officers' Certificate or other certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, appraisal, bond, debenture, note, coupon, security or other paper or document unless requested in writing so to do by the Holders of not less than a majority in aggregate principal amount of the outstanding Notes of either series; *provided* that, if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities

70

likely to be incurred by it in the making of such investigation, in the opinion of the Trustee, is not assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to it against such expenses or liabilities as a condition to proceeding.

(h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(i) The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Company, except as otherwise set forth herein, but the Trustee may require of the Company full information and advice as to the performance of the covenants, conditions and agreements contained herein and shall be entitled in connection herewith to examine the books, records and premises of the Company.

(j) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct as determined by a final, non-appealable order of a court of competent jurisdiction.

(k) Except for (i) a default under Section 6.01(a)(1) or (2), provided that the Trustee is also the Paying Agent or (ii) any other event of which a Responsible Officer of the Trustee has actual knowledge and which event, with the giving of notice or the passage of time or both, would constitute an Event of Default under this Indenture, the Trustee shall not be deemed to have notice of any default or event unless specifically notified in writing of such event by the Company or the Holders of not less than 25% in aggregate principal amount of the Notes of either series, such notice referencing the Notes, the series and this Indenture. The Trustee shall not be deemed to have notice of any Covenant Suspension Event, Suspension Date or Reversion Date unless notified thereof in writing by the Company.

(l) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(n) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04. Trustee's Disclaimer.

The Trustee makes no representation as to the validity or adequacy of this Indenture or the Notes. The Trustee shall not be accountable for the Company's use of the proceeds from the Notes and shall not be responsible for any statement in any registration statement for the Notes filed with the SEC under the Securities Act (other than

any Statement of Eligibility on Form T-1) or in this Indenture (other than its eligibility under Section 7.10) or the Notes (other than its certificate of authentication).

Section 7.05. Notice of Defaults.

If a Default occurs and is continuing with and is known to the Trustee, the Trustee shall send to each Holder notice of such Default within the earlier of 90 days after such Default occurs and 30 days after such Default is known to a Responsible Officer or written notice of such Default is received by the Trustee. Except in the case of a Default in the payment of principal of, premium, if any, or interest on the Notes of either series, including payments pursuant to the redemption provisions of the Notes of such series, the Trustee may withhold notice if and so long as a committee of its Responsible Officers in good faith determines that withholding such notice is in the interests of Holders of the Notes of such series.

Section 7.06. Reports by Trustee to Holders of the Notes.

(a) Within 60 days after each October 1 beginning with the October 1 following the date of this Indenture, the Trustee shall mail to each Holder of Notes and each other Person specified in Section 313(c) of the TIA a brief report dated as of such October 1 that complies with Section 313(a) of the TIA to the extent required thereby. The Trustee also shall comply with Section 313(b) of the TIA.

(b) The Trustee will file a copy of each report, at the time of its mailing to Holders of any Notes, with the SEC and each securities exchange on which the Notes are listed. The Company promptly will notify the Trustee whenever the Notes become listed on any securities exchange and of any delisting thereof.

Section 7.07. Compensation and Indemnity.

The Company:

(a) will pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation as shall be agreed to in writing between the Company and the Trustee for all services rendered by it hereunder, which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust;

(b) will reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture, including the compensation and reasonable expenses of its agents and counsel, except to the extent any such compensation or expense shall be determined to have been caused by its own negligence or willful misconduct as determined by a final, non-appealable order of a court of competent jurisdiction; and

(c) will fully indemnify the Trustee and its agents for, and hold them harmless against, any loss, liability, claim, damage or expense arising out of or in connection with the acceptance or administration of this trust or the performance of its duties hereunder, including the reasonable costs and expenses of defending itself against or investigating any claim (whether asserted by the Company, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section, except to the extent that any such loss, liability or expense shall be determined to have been caused by its own negligence or willful misconduct as determined by a final, non-appealable order of a court of competent jurisdiction.

As security for the performance of the Company's obligations under this Section 7.07, the Trustee shall have a lien prior to the Notes on all funds or property held or collected by the Trustee, except for those funds that are held in trust to pay the principal of or interest, if any, on the Notes

"Trustee" for purpose of this Section 7.07 includes any predecessor trustee; *provided* that the negligence or bad faith of any Trustee shall not be attributable to any other Trustee.

The Company's payment obligations pursuant to this Section 7.07 shall survive the discharge of this Indenture and resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a default specified in Section 6.01(a)(6), such expenses, including reasonable fees and expenses of counsel, are intended to constitute expenses of administration under Bankruptcy Law.

Section 7.08. Replacement of Trustee.

The Trustee may resign at any time by so notifying the Company. No such resignation, however, shall be effective until a successor Trustee has accepted its appointment pursuant to this Section 7.08. The Holders of a majority in aggregate principal amount of the Notes may remove the Trustee by so notifying the Trustee and the Company. The Company shall remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged bankrupt or insolvent;
- (c) a receiver or public officer takes charge of the Trustee or its property; or
- (d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, with respect to the Notes, the Company shall promptly appoint, by resolution of its Board of Directors, a successor Trustee with respect to the Notes

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Notes. The retiring Trustee shall upon payment of its charges hereunder promptly transfer all funds and property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of a majority in aggregate principal amount of the Notes may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Section 7.09. Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into or transfers all or substantially all its corporate trust business or assets to another corporation, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

Section 7.10. Eligibility; Disqualification.

The Trustee shall at all times satisfy the requirements of Section 310(a)(1) of the TIA. The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. Neither the Company nor any person directly or indirectly controlling, controlled by or under common control with the Company shall serve as Trustee hereunder. The Trustee shall comply with Section 310(b) of the TIA; *provided, however*, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

73

Section 7.11. Preferential Collection of Claims Against Company.

The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated therein.

ARTICLE EIGHT

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01. Option to Effect Legal Defeasance or Covenant Defeasance.

(a) Subject to Sections 8.01(b) and 8.02, the Company at any time may terminate (i) all of its obligations under the Notes of a series and this Indenture (“legal defeasance option”) or (ii) its obligations under Sections 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, and 4.18 and Section 5.01(a)(3) (“covenant defeasance option”) with respect to the Notes of a series. The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Company terminates all of its obligations under the Notes of a series and this Indenture by exercising its legal defeasance option, the obligations under the Subsidiary Guarantees with respect to such series shall each be terminated simultaneously with the termination of such obligations.

If the Company exercises its legal defeasance option, payment of the Notes of such series may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes of such series may not be accelerated because of an Event of Default specified in Sections 6.01(a)(4) and 6.01(a)(5) (with respect only to the applicable Restricted Subsidiaries), 6.01(a)(6) and 6.01(a)(7) (with respect only to Significant Subsidiary Guarantors) or 6.01(a)(8), or because of the failure of the Company to comply with Section 5.01(a)(3).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(b) Notwithstanding Section 8.01(a), the Company’s obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.02 and 7.07 and in this Article Eight shall survive until the Notes have been paid in full. Thereafter, the Company’s obligations in Sections 7.07 and 8.03 and the Trustee’s obligations under Section 8.04 shall survive.

Section 8.02. Conditions to Defeasance.

The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) the Company irrevocably deposits in trust with the Trustee money in an amount sufficient to pay U.S. Government Obligations, the principal of and interest on which will be sufficient, or a combination thereof sufficient, in the opinion of a nationally recognized firm of independent accountants, to pay the principal of, and premium (if any) and interest on the relevant series of Notes when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date;

(b) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of such series of Notes will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

74

(c) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such series of Notes will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(d) the deposit does not constitute a default under any other material agreement binding on the Company (other than that resulting with respect to any Indebtedness being defeased from any borrowing of funds to be applied to make the deposit required to effect such legal defeasance option or covenant defeasance option and any similar and simultaneous deposit relating to such Indebtedness, and the granting of Liens in connection therewith);

(e) the Company delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940; and

(f) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article Eight have been complied with.

Section 8.03. Deposited Money and Government Obligations to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.04, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.02 in respect of the outstanding Notes of a particular series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 8.02 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

(c) Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or U.S. Government Obligations held by it as provided in Section 8.02 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee at the expense of the Company (which may be the opinion delivered under Section 8.02(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent legal defeasance option or covenant defeasance option.

Section 8.04. Repayment to the Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, and interest on any Note and remaining unclaimed for two years after such principal, premium, if any, and interest has become due and payable shall, subject to compliance with applicable abandoned property law, be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as Trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company, send to the Holders notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification, any unclaimed balance of such money then remaining shall be repaid to the Company.

75

Section 8.05. Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 8.02, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Subsidiary Guarantors' obligations under this Indenture and the Notes and the Subsidiary Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE NINE

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01. Without Consent of Holders of Notes.

(a) Notwithstanding Section 9.02, the Company, the Subsidiary Guarantors and the Trustee may amend or supplement this Indenture or the Notes either series without the consent of any Holder of a Note of such series to:

(1) convey, transfer, assign, mortgage or pledge any property or assets to the Trustee as security for the Notes;

(2) evidence the succession of another Person to the Company or any Subsidiary Guarantor, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company or any Subsidiary Guarantor under this Indenture pursuant to the provisions described under Article Five;

(3) add to the covenants of the Company and the Subsidiary Guarantors such further covenants, restrictions, conditions or provisions for the protection of the Holders of the Notes; or make any change that does not adversely affect the rights of any Holder of the Notes;

(4) cure any ambiguity or correct or supplement any provision contained in this Indenture that may be defective or inconsistent with any other provision contained in this Indenture, or make such other provisions in regard to matters or questions arising under this Indenture as the Board of Directors may deem necessary or desirable and that shall not materially and adversely affect the interests of the Holders of the Notes;

(5) evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee with respect to the Notes and add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts under this Indenture by more than one Trustee pursuant to the requirements of this Indenture;

(6) provide for uncertificated Notes of such series in addition to or in place of certificated Notes; *provided, however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code;

(7) add additional Subsidiary Guarantees with respect to the Notes and release any Subsidiary Guarantor in accordance with this Indenture;

(8) provide for the issuance of Additional Notes;

76

(9) conform the text of this Indenture or the Notes to any provision of the Description of Notes in the offering memorandum related to the Initial Notes; or

(10) comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA.

(b) Upon the request of the Company and upon receipt by the Trustee of the documents described under Section 9.06 hereof, the Trustee shall join with the Company and the Subsidiary Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding anything to the contrary contained herein, any supplemental indenture executed pursuant to Section 9.01(a)(7) may be executed by the Company, the Subsidiary Guarantor providing such Subsidiary Guarantee and the Trustee.

Section 9.02. With Consent of Holders of Notes.

(a) Except as otherwise provided in this Section 9.02, this Indenture or the Notes of either series may be amended with the written consent of the Holders of a majority in principal amount of the Notes of such series then outstanding and any past default or compliance with any provisions may be waived with the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for the Notes of such series); *provided, however*, that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under the Indenture, then only the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of a majority in principal amount of the Notes of such adversely affected series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required. However, without the consent of each Holder of an outstanding Note of such series adversely affected thereby, no amendment may:

(1) reduce the amount of Notes whose Holders must consent to an amendment;

(2) reduce the rate of or extend the time for payment of interest on any Note;

(3) reduce the principal of or extend the Stated Maturity of any Note;

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 3.07;

(5) make any Note payable in money other than that stated in the Note;

(6) impair the right of any Holder to receive payment of principal of, and interest on, such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(7) make any change in the amendment provisions which require each Holder's consent or in the waiver provisions; or

(8) release all or substantially all of the Subsidiary Guarantees.

(b) The consent of the Holders will not be necessary to approve the particular form of any proposed amendment or supplemental indenture. It will be sufficient if such consent approves the substance of the proposed amendment or supplemental indenture.

77

(c) After an amendment or supplemental indenture becomes effective, the Company shall mail, or in the case of Global Notes send in accordance with the Applicable Procedures of the Depositary, to Holders (with a copy to the Trustee) a notice briefly describing such amendment or supplemental indenture. However, the failure to give such notice to all Holders, or any defect therein, will not impair or affect the validity of the amendment or supplemental indenture.

Section 9.03. Compliance with TIA.

Every amendment or supplemental indenture to this Indenture or the Notes shall comply with the TIA as then in effect.

Section 9.04. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or supplemental indenture or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officers' Certificate from the Company certifying that the requisite number of consents have been received. After an amendment or supplemental indenture or waiver becomes effective, it shall bind every Holder. An amendment or supplemental indenture or waiver becomes effective upon the (i) receipt by the Company or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or supplemental indenture or waiver by the Company and the Trustee.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.04(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date.

Section 9.05. Notation on or Exchange of Notes.

If an amendment or supplemental indenture changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment or supplemental indenture.

Section 9.06. Trustee to Sign Amendments, Etc.

The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article Nine if the amendment or supplemental indenture does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If, in the judgment of the Trustee, it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall receive indemnity satisfactory to it and receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment or supplemental indenture is authorized or permitted by this Indenture and that such amendment or supplemental indenture is the valid and binding obligation of the Company and the Subsidiary Guarantors enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

Section 9.07. Payments for Consents.

Neither the Company nor any Affiliate of the Company shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

ARTICLE TEN

SUBSIDIARY GUARANTEES

Section 10.01. Subsidiary Guarantees.

(a) Each Subsidiary Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Company under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, or premium or interest on the Notes and all other monetary obligations of the Company under this Indenture and the Notes and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article Ten notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any Default under the Notes or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Subsidiary Guarantor, except as provided in Section 10.05.

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor's obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Company's or such Subsidiary

Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Section 8.01(a), Section 9.02, this Article Ten and Article Eleven, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of

79

the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(f) Except as otherwise provided herein, each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Company to the Holders and the Trustee.

(h) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article Six of this Indenture, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 10.01.

(i) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorney's fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

(j) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 10.02. Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) As provided in Section 10.05(b), at the reasonable request of the Company, the Trustee shall execute and deliver an instrument, in the form provided by the Company, evidencing the release of any Subsidiary Guarantor pursuant to Section 10.05(a).

80

Section 10.03. Subsidiary Guarantee Under Indenture.

(a) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Subsidiary Guarantee provided for herein shall be valid nevertheless.

(b) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Subsidiary Guarantee provided for herein on behalf of the Subsidiary Guarantors.

(c) If required by Section 4.18, the Company shall cause its Subsidiaries to execute supplemental indentures to this Indenture substantially in the form of Exhibit D to this Indenture providing for additional Subsidiary Guarantees in accordance with Section 4.18 and this Article Ten, to the extent applicable.

Section 10.04. Contribution.

Each Subsidiary Guarantor hereby agrees that to the extent that any such Subsidiary Guarantor shall have paid more than its proportionate share of any payment made on the obligations under its Subsidiary Guarantee, then upon payment in full of the Guaranteed Obligations under this Indenture such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against the Company or any other Subsidiary Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 10.04 shall in no respect limit the obligations and liabilities of each Subsidiary Guarantor to the Trustee and the Holders and each Subsidiary Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 10.05. Release of Subsidiary Guarantor.

(a) The Subsidiary Guarantee of a Subsidiary Guarantor shall be automatically released without any action required by the Trustee or Holders:

(i) in the event the Capital Stock of a Subsidiary Guarantor is sold or all of the assets of a Subsidiary Guarantor are sold (including by way of merger, consolidation or otherwise) by the Company or a Restricted Subsidiary and the sale complies with the provisions set forth in Section 4.10 and if as a result of such sale, such Subsidiary Guarantor ceases to be a Restricted Subsidiary;

(ii) upon the designation of any Subsidiary Guarantor to be an Unrestricted Subsidiary in compliance with the definition of “Unrestricted Subsidiary”;

(iii) upon legal defeasance or satisfaction and discharge of the Notes in compliance with the provisions of this Indenture described under Article Eight and Article Eleven, respectively;

(iv) if such Subsidiary Guarantor shall have been released from its guarantee of Indebtedness under all Material Credit Facilities; or

(v) if such Subsidiary Guarantee shall have been released pursuant to Section 9.02.

(b) At the request of the Company, and upon delivery to the Trustee of an Officers’ Certificate and an Opinion of Counsel that a release complies with this Indenture, the Trustee shall execute and deliver such instruments reasonably requested by the Company evidencing the release of such Subsidiary Guarantor from its Subsidiary Guarantee (it being understood that the failure to obtain any such instrument shall not impair any automatic release pursuant to Section 10.05(a)). Any Subsidiary Guarantor not released from its obligations under its Subsidiary Guarantee as provided in Section 10.05(a) shall remain liable for the full amount of principal and interest, if any, on the Notes and for the other obligations of any Subsidiary Guarantor under this Indenture as provided in this Article Ten.

Section 10.06. Successors and Assigns.

Subject to Article Five, this Article Ten shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 10.07. No Waiver.

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Ten shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article Ten at law, in equity, by statute or otherwise.

Section 10.08. Modification.

No modification, amendment or waiver of any provision of this Article Ten, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

ARTICLE ELEVEN

SATISFACTION AND DISCHARGE

Section 11.01. Satisfaction and Discharge.

(a) This Indenture (including the Subsidiary Guarantees) will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Notes of either series, as expressly provided for in this Indenture) as to all Notes of a series issued hereunder when:

(1) all outstanding Notes of such series (other than Notes replaced or paid) have been canceled or delivered to the Trustee for cancellation; or

(2) all outstanding Notes of such series have become due and payable, whether at maturity or as a result of the sending of a notice of redemption, or will become due and payable within one year, and the Company irrevocably deposits with the Trustee cash or Cash Equivalents in an amount sufficient to pay U.S. Government Obligations, the principal of and interest on which will be sufficient, or a combination thereof sufficient, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which opinion shall only be required to be delivered if U.S. Government Obligations have been so deposited), to pay the principal of and interest on the outstanding Notes when due at maturity or upon redemption, including interest thereon to maturity or such redemption date (other than Notes replaced or paid); and, in either case

(3) the Company pays all other sums payable by it under this Indenture.

(b) The Trustee shall acknowledge satisfaction and discharge of this Indenture on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel and at the cost and expense of the Company.

82

Section 11.02. Deposited Money and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.04 hereof, all funds and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 11.01 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

ARTICLE TWELVE

ESCROW OF PROCEEDS; SPECIAL MANDATORY REDEMPTION

Section 12.01. Escrow of Proceeds.

(a) On the Issue Date, and on or about the time of the issuance of the Notes, the Initial Purchasers, at the direction of the Company, shall, pursuant to the Escrow Agreement, deposit into a segregated escrow account (the "Escrow Account") the gross proceeds of the offering of the Notes (collectively with the Escrow Account and any other property from time to time held in the Escrow Account, the "Escrowed Property"). The Company shall grant the Trustee, for the benefit of itself and Holders of the Notes, a first-priority security interest in the Escrow Account in accordance with the terms of the Escrow Agreement.

(b) Each Holder of a Note by its acceptance thereof authorizes the Trustee to execute and deliver the Escrow Agreement.

Section 12.02. Special Mandatory Redemption. If (i) the Escrow Agent and the Trustee shall not have received a Release Request certifying that, pursuant to the Escrow Agreement, the release conditions therein, including the substantially concurrent acquisition of the Target by the Company (the "Escrow Conditions"), have been satisfied or waived in the manner prescribed in the Escrow Agreement (the date of such release, the "Escrow Release Date"), on or prior to the Escrow End Date or (ii) the Company shall have notified the Escrow Agent and the Trustee that the Escrow Conditions cannot be satisfied and will not be waived, or the Escrow Agreement is terminated (the date on which the earlier of (i) or (ii) occurs, the "Escrow Termination Date"), then (A) the Escrow Agent shall, pursuant to the terms of the Escrow Agreement and without the requirement of notice or action by the Company, the Trustee or any other Person, promptly release the Escrowed Property (including investment earnings to the extent credited to the Escrow Account) to the Trustee for application as payment to the Holders of the Special Mandatory Redemption Amount, (B) the Company shall deposit with the Trustee cash in United States dollars sufficient, when taken together with such released Escrowed Property, to pay the Special Mandatory Redemption Amount in accordance with Section 3.05, (C) on the fifth (5th) Business Day following the Escrow Termination Date (the "Escrow Redemption Date"), the Company shall redeem the Notes at the Special Mandatory Redemption Amount (such redemption, a "Special Mandatory Redemption") and (D) the Trustee will pay to the Company any Escrowed Property (or investment earnings) remaining after redemption of the Notes and payment of any unpaid expenses of the Trustee and the Escrow Agent payable in accordance with this Indenture or the Escrow Agreement. The provisions of Section 3.01 and 3.03 shall apply to any Special Mandatory Redemption to the extent expressly applicable thereto.

Section 12.03. Release of Escrowed Property. Upon receipt by the Escrow Agent and the Trustee of a Release Request, the Escrowed Property will be released in accordance with the terms of the Escrow Agreement. In addition, at any time prior to December 31, 2014, the Company may withdraw from the Escrow Account an amount sufficient to prepay, redeem, defease, retire or otherwise repurchase the aggregate principal amount of outstanding Existing Private Placement Notes plus accrued and unpaid interest and premium, if any.

Any notice or communication shall also be so mailed to any Person described in TIA

Section 313(c), to the extent required by the TIA. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders.

(e) Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance on such waiver.

(f) In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

(g) If a notice or communication is sent in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

(h) If the Company receives a notice or communication from Holders, or sends a notice or communication to Holders, it shall send a copy to the Trustee and each Agent at the same time.

(i) Notwithstanding any other provision of this Indenture or any Note, where this Indenture or any Note provides for notice of any event (including any notice of redemption or purchase) to a Holder of a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depositary for such Note (or its designee) pursuant to the standing instructions from such Depositary.

Section 13.03. Communication by Holders of Notes with Other Holders of Notes.

Holders may communicate pursuant to TIA Section 312(b) with other Holders with respect to their rights under this Indenture or the Notes. The Company, the Subsidiary Guarantors, the Trustee, the Registrar and any other Person shall have the protection of TIA Section 312(c).

Section 13.04. Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company shall furnish to the Trustee:

(i) an Officers' Certificate in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.05 hereof) stating that, in the opinion of the signers (who may rely upon an Opinion of Counsel with respect to matters of law), all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(ii) an Opinion of Counsel in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.05 hereof) stating that, in the opinion of such counsel (who may rely upon an Officers' Certificate or certificates of public officials as to matters of fact), all such conditions precedent and covenants have been satisfied.

Section 13.05. Statements Required in Certificate or Opinion.

(a) Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to Section 4.04 hereof or TIA Section 314(a)(4)) shall comply with the provisions of TIA Section 314(e) and shall include:

(i) a statement that the Person making such certificate or opinion has read such covenant or condition;

(ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

85

(iii) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with; and

Section 13.06. Rules by Trustee and Agents.

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 13.07. No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, officer, employee, incorporator, stockholder, member, manager or partner of the Company or any Subsidiary Guarantor, as such, will have any liability for any obligations of the Company or the Subsidiary Guarantors under the Notes, this Indenture, the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 13.08. Governing Law; Waiver of Jury Trial.

THIS INDENTURE AND THE NOTES OF EACH SERIES WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

EACH OF THE COMPANY, THE SUBSIDIARY GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE SUBSIDIARY GUARANTEES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 13.09. [Intentionally Omitted].

Section 13.10. No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or any of its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 13.11. Successors.

All agreements of the Company in this Indenture and the Notes shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors. All agreements of each Subsidiary Guarantor in this Indenture shall bind such Subsidiary Guarantor's successors, except as otherwise provided in Sections 5.01(b) and 5.02.

Section 13.12. Severability.

In case any provision in this Indenture or the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 13.13. Counterpart Originals.

The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by

86

facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 13.14. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by the Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such

instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Company if made in the manner provided in this Section 13.14.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such witness, notary or officer the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) Notwithstanding anything to the contrary contained in this Section 13.14, the principal amount and serial numbers of Notes held by any Holder, and the date of holding the same, shall be proved by the register of the Notes maintained by the Registrar as provided in Section 2.04.

(d) If the Company shall solicit from the Holders of the Notes any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, by or pursuant to a Board Resolution, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall have no obligation to do so. Notwithstanding TIA Section 316(c), such record date shall be the record date specified in or pursuant to such resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith or the date of the most recent list of Holders forwarded to the Trustee prior to such solicitation pursuant to Section 2.06 and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of the then outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the then outstanding Notes shall be computed as of such record date; *provided* that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than eleven months after the record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration or transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Note.

(f) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Note may do so itself with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

87

Section 13.15. Benefit of Indenture.

Except as otherwise described herein, nothing in this Indenture, the Notes or the Subsidiary Guarantees shall give to any Person, other than the parties hereto, any Paying Agent, any Registrar and its successors hereunder, and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 13.16. Table of Contents, Headings, Etc.

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 13.17. USA PATRIOT Act.

The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

The Company shall pay interest on overdue principal at the rate borne by the Notes plus 1% per annum, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment. The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 1 or October 1 immediately preceding the Interest Payment Date even if Notes are canceled after the record date and on or before the Interest Payment Date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium and interest) shall be made by wire transfer of immediately available funds to the accounts specified by the Depositary or any successor depositary. The Company will make all payments in respect of a Definitive Note (including principal, premium, if any, and interest), at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof.

3. Paying Agent and Registrar. Initially, U.S. BANK NATIONAL ASSOCIATION (the “Trustee”) will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated Restricted Subsidiaries may act as Paying Agent or Registrar.

4. Indenture. The Company issued the Notes under an Indenture dated as of October 6, 2014, among the Company, the Subsidiary Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as amended (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders (as defined in the Indenture) are referred to the Indenture and the TIA for a statement of such terms and provisions.

The 2022 Notes are senior unsubordinated unsecured obligations of the Company limited initially to \$800,000,000 aggregate principal amount, which amount may be increased at the option of the Company if it determines to sell Additional Notes (subject to the terms of the Indenture). The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments, make Restricted Payments, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates and make Asset Dispositions. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal, premium, if any, and interest on the Notes and all other amounts payable by the Company under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the

A-1-4

Subsidiary Guarantors have, jointly and severally, unconditionally guaranteed the Guaranteed Obligations on a senior unsubordinated unsecured basis pursuant to the terms of the Indenture.

5. Optional Redemption.

(a) Except as set forth in this Section 5, the Notes may not be redeemed at the option of the Company.

(b) At any time and from time to time prior to October 15, 2017, the Company may redeem, on one or more occasions, up to a maximum of 35% of the original aggregate principal amount of the 2022 Notes, calculated after giving effect to any issuance of Additional Notes that are 2022 Notes, with the Net Cash Proceeds of one or more Qualified Equity Offerings at a redemption price equal to 105.750% of the principal amount thereof, plus accrued and unpaid interest thereon to the redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date; *provided, however*, that after giving effect to any such redemption:

(i) at least 65% of the original aggregate principal amount of the 2022 Notes, calculated after giving effect to any issuance of Additional Notes that are 2022 Notes, remains outstanding immediately after such redemption; and

(ii) any such redemption by the Company must be completed within 90 days of completion of such Qualified Equity Offering and must be made in accordance with the applicable procedures set forth in the Indenture.

(c) At any time and from time to time prior to October 15, 2017, the Company may redeem on all or part of the 2022 Notes at a redemption price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) the Applicable Premium as of the date of redemption, plus (iii) accrued and unpaid interest to the date of redemption, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date.

(d) At any time and from time to time on or after October 15, 2017, the Company may redeem the 2022 Notes, in whole or in part, at the following redemption prices, expressed as percentages of principal amount, plus accrued and unpaid interest thereon to the redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period commencing on October 15 of the years set forth below:

Year	Percentage
2017	104.313%
2018	102.875%
2019	101.438%
2020 and thereafter	100.000%

(e) Any notice of redemption in connection with any Qualified Equity Offering or other securities offering of any financing, or in connection with a transaction (or series of related transactions) that constitutes a Change of Control, may, at the Company's discretion, be given prior to the completion thereof and be subject to one or more conditions precedent, including completion of the related Qualified Equity Offering, securities offering, financing or Change of Control.

(f) The Company will have the right to redeem the 2022 Notes at 101% of the principal amount thereof, plus accrued and unpaid interest to the date of redemption, following the consummation of a Change of Control if at least 90% of the 2022 Notes outstanding prior to such consummation are purchased pursuant to a Change of Control Offer with respect to such Change of Control.

A-1-5

6. Mandatory Redemption; Escrow.

(a) Except as set forth in the Indenture and this Section 6, the Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(b) On the Issue Date, and on or about the time of the issuance of the Notes, the Initial Purchasers, at the direction of the Company, shall, pursuant to the Escrow Agreement, deposit into a segregated escrow account (the "Escrow Account") the gross proceeds of the offering of the Notes (collectively with the Escrow Account and any other property from time to time held in the Escrow Account, the "Escrowed Property"). The Company shall grant the Trustee, for the benefit of itself and Holders of the Notes, a first-priority security interest in the Escrow Account in accordance with the terms of the Escrow Agreement.

(c) If (i) the Escrow Agent and the Trustee shall not have received a Release Request certifying that, pursuant to the Escrow Agreement, the release conditions therein, including the substantially concurrent acquisition of the Target by the Company (the "Escrow Conditions"), have been satisfied or waived in the manner prescribed in the Escrow Agreement (the date of such release, the "Escrow Release Date"), on or prior to the Escrow End Date or (ii) the Company shall have notified the Escrow Agent and the Trustee that the Escrow Conditions cannot be satisfied and will not be waived, or the Escrow Agreement is terminated (the date on which the earlier of (i) or (ii) occurs, the "Escrow Termination Date"), then (A) the Escrow Agent shall, pursuant to the terms of the Escrow Agreement and without the requirement of notice or action by the Company, the Trustee or any other Person, promptly release the Escrowed Property (including investment earnings to the extent credited to the Escrow Account) to the Trustee for application as payment to the Holders of the Special Mandatory Redemption Amount, (B) the Company shall deposit with the Trustee cash in United States dollars sufficient, when taken together with such released Escrowed Property to pay the Special Mandatory Redemption Amount in accordance with Section 3.05 of the Indenture, (C) on the fifth (5th) Business Day following the Escrow Termination Date (the "Escrow Redemption Date"), the Company shall redeem the Notes at the Special Mandatory Redemption Amount (such redemption, a "Special Mandatory Redemption") and (D) the Trustee will pay to the Company any Escrowed Property (or investment earnings) remaining after redemption of the Notes and payment of any unpaid expenses of the Trustee and the Escrow Agent payable in accordance with this Indenture or the Escrow Agreement. The provisions of Section 3.01 and 3.03 of the Indenture shall apply to any Special Mandatory Redemption to the extent expressly applicable thereto.

(d) Upon receipt by the Escrow Agent and the Trustee of a Release Request, the Escrowed Property will be released in accordance with the terms of the Escrow Agreement. In addition, at any time prior to December 31, 2014, the Company may withdraw from the Escrow Account an amount sufficient to prepay, redeem, defease, retire or otherwise repurchase the aggregate principal amount of outstanding Existing Private Placement Notes plus accrued and unpaid interest and premium, if any.

7. Notice of Redemption. Notice of redemption will be mailed by first-class mail at least 30 days but not more than 60 days before the redemption date (or at least three Business Days in the case of a Special Mandatory Redemption pursuant to Section 6) to each Holder of Notes to be redeemed at his or her registered address. Notes may be redeemed in part in integral multiples of \$2,000 or any whole multiple of \$1,000 in excess thereof. If notice of redemption has been given, the Notes or portions of Notes specified in such notice shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption, and on and after said date (unless the Company shall default in the payment of such Notes at the redemption price, together with interest accrued to said date) interest on the Notes or portions of Notes so called for redemption shall cease to accrue.

8. Repurchase at Option of Holder. Upon a Change of Control after the Effective Date, each Holder will have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest to the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture; *provided, however*, the Company shall not be obligated to purchase the Notes upon a Change of Control in the event that it has optionally redeemed all the Notes. In accordance with Section 4.10 of the Indenture, the Company will be required to offer to purchase Notes upon the occurrence of certain events.

A-1-6

9. Denominations, Transfer, Exchange. The Notes are in fully registered form, without coupons, in minimum denominations of \$2,000 and any whole multiple of \$1,000. A Holder may transfer or Exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Company will not be required to transfer or exchange any outstanding Notes selected for redemption or purchase or to transfer or exchange any outstanding Notes for a period of 15 days prior to the selection of Notes to be redeemed or purchased or within 15 days of an Interest Payment Date.

10. Persons Deemed Owners. The registered Holder of this Note will be treated as the owner of it for all purposes.

11. Unclaimed Money. Subject to the applicable abandoned property laws, if money for the payment of principal or interest remains unclaimed for two years, the Trustee and the Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance. Subject to certain conditions, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Waiver. Subject to certain exceptions set forth in the Indenture, the Indenture or the Notes may be amended with the written consent of the Holders of a majority in principal amount of the Notes then outstanding and any past default or compliance with any provisions may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for the Notes). Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, the Subsidiary Guarantors and the Trustee may amend the Indenture to (i) convey, transfer, assign, mortgage or pledge any property or assets to the Trustee as security for the Notes; (ii) evidence the succession of another Person to the Company or any Subsidiary Guarantor, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company or any Subsidiary Guarantor under the Indenture pursuant to the provisions described under Article Five of the Indenture; (iii) add to the covenants of the Company and the Subsidiary Guarantors such further covenants, restrictions, conditions or provisions for the protection of the Holders of Notes, or make any change that does not adversely affect the rights of any Holder of the Notes; (iv) cure any ambiguity or correct or supplement any provision contained in the Indenture that may be defective or inconsistent with any other provision contained in the Indenture, or make such other provisions in regard to matters or questions arising under the Indenture as the Board of Directors may deem necessary or desirable and that shall not materially and adversely affect the interests of the Holders of Notes; (v) evidence and provide for the acceptance of appointment under the Indenture by a successor Trustee with respect to the Notes and add to or change any of the provisions of the Indenture as shall be necessary to provide for or facilitate the administration of the trusts under the Indenture by more than the one Trustee pursuant to the requirements of the Indenture; (vi) provide for uncertificated Notes in addition to or in place of certificated Notes; *provided, however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code; (vii) add additional Subsidiary Guarantees with respect to the Notes and release any Subsidiary Guarantor in accordance with the Indenture; (viii) provide for the issuance of Additional Notes; (ix) conform the text of the Indenture or the Notes to any provision of the Description of Notes in the offering memorandum related to the Initial Notes; or (x) comply with any requirement of the SEC in connection with the qualification of the Indenture under the TIA.

14. Defaults and Remedies. If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes by notice to the Company (and the Trustee if given by the Holders) may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of and interest on all the Notes will become immediately due and payable without any declaration or other act on the

A-1-7

part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

No Holder of any Notes shall have any right, by virtue or by availing of any provision of this Indenture or the Notes, to institute any action or proceeding at law or in equity or in bankruptcy or otherwise with respect to this Indenture or the Notes, or for the appointment of a trustee, receiver, liquidator, custodian or other similar official or for any other remedy hereunder, unless such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof and the Holders of not less than 25% in aggregate principal amount of the Notes shall have made written request upon the Trustee to institute such action or proceedings in its own name as Trustee hereunder and shall have offered to the Trustee security or indemnity reasonably satisfactory to it as it may require, against the costs, expenses and liabilities to be incurred therein or thereby and the Trustee for 60 days after its receipt of such notice, request and offer of security or indemnity shall have failed to institute any such action or proceeding and no direction inconsistent with such written request shall have been given to the Trustee during such 60-day period by Holders of a majority in principal amount of the Notes then outstanding; it being understood and intended, and being expressly covenanted by the Holder of every Notes with every other Holder of a Note and the Trustee, that no one or more Holders of Notes shall have any right in any manner whatever, by virtue or by availing of any provision of this Indenture, to affect, disturb or prejudice the rights of any other such Holder of Notes, or to obtain or seek to obtain priority over or preference to any other such Holder or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of the Notes.

15. Trustee Dealings with Company. Subject to certain limitations imposed by the TIA, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others. No director, officer, employee, incorporator, stockholder, member, manager or partner of the Company or any Subsidiary Guarantor, as such, will have any liability for any obligations of the Company or the Subsidiary Guarantors under the Notes, the Indenture, the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

17. Authentication. This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. Governing Law. THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

20. CUSIP and ISIN Numbers. The Company has caused CUSIP and ISIN numbers to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

8. Repurchase at Option of Holder. Upon a Change of Control after the Effective Date, each Holder will have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest to the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture; *provided, however*, the Company shall not be obligated to purchase the Notes upon a Change of Control in the event that it has optionally redeemed all the Notes. In accordance with Section 4.10 of the Indenture, the Company will be required to offer to purchase Notes upon the occurrence of certain events.

9. Denominations, Transfer, Exchange. The Notes are in fully registered form, without coupons, in minimum denominations of \$2,000 and any whole multiple of \$1,000. A Holder may transfer or Exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Company will not be required to transfer or exchange any outstanding Notes selected for redemption or purchase or to transfer or exchange any outstanding Notes for a period of 15 days prior to the selection of Notes to be redeemed or purchased or within 15 days of an Interest Payment Date.

10. Persons Deemed Owners. The registered Holder of this Note will be treated as the owner of it for all purposes.

11. Unclaimed Money. Subject to applicable abandoned property laws, if money for the payment of principal or interest remains unclaimed for two years, the Trustee and the Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance. Subject to certain conditions, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Waiver. Subject to certain exceptions set forth in the Indenture, the Indenture or the Notes may be amended with the written consent of the Holders of a majority in principal amount of the Notes then outstanding and any past default or compliance with any provisions may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for the Notes). Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, the Subsidiary Guarantors and the Trustee may amend the Indenture to (i) convey, transfer, assign, mortgage or pledge any property or assets to the Trustee as security for the Notes; (ii) evidence the succession of another Person to the Company or any Subsidiary Guarantor, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company or any Subsidiary Guarantor under the Indenture pursuant to the provisions described under Article Five of the Indenture; (iii) add to the covenants of the Company and the Subsidiary Guarantors such further covenants, restrictions, conditions or provisions for the protection of the Holders of Notes, or make any change that does not adversely affect the rights of any Holder of the Notes; (iv) cure any ambiguity or correct or supplement any provision contained in the Indenture that may be defective or inconsistent with any other provision contained in the Indenture, or make

A-2-6

such other provisions in regard to matters or questions arising under the Indenture as the Board of Directors may deem necessary or desirable and that shall not materially and adversely affect the interests of the Holders of Notes; (v) evidence and provide for the acceptance of appointment under the Indenture by a successor Trustee with respect to the Notes and add to or change any of the provisions of the Indenture as shall be necessary to provide for or facilitate the administration of the trusts under the Indenture by more than the one Trustee pursuant to the requirements of the Indenture; (vi) provide for uncertificated Notes in addition to or in place of certificated Notes; *provided, however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code; (vii) add additional Subsidiary Guarantees with respect to the Notes and release any Subsidiary Guarantor in accordance with the Indenture; (viii) provide for the issuance of Additional Notes; (ix) conform the text of the Indenture or the Notes to any provision of the Description of Notes in the offering memorandum related to the Initial Notes; or (x) comply with any requirement of the SEC in connection with the qualification of the Indenture under the TIA.

14. Defaults and Remedies. If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes by notice to the Company (and the Trustee if given by the Holders) may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default relating to certain events of bankruptcy,

insolvency or reorganization of the Company occurs, the principal of and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

No Holder of any Notes shall have any right, by virtue or by availing of any provision of this Indenture or the Notes, to institute any action or proceeding at law or in equity or in bankruptcy or otherwise with respect to this Indenture or the Notes, or for the appointment of a trustee, receiver, liquidator, custodian or other similar official or for any other remedy hereunder, unless such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof and the Holders of not less than 25% in aggregate principal amount of the Notes shall have made written request upon the Trustee to institute such action or proceedings in its own name as Trustee hereunder and shall have offered to the Trustee security or indemnity reasonably satisfactory to it as it may require, against the costs, expenses and liabilities to be incurred therein or thereby and the Trustee for 60 days after its receipt of such notice, request and offer of security or indemnity shall have failed to institute any such action or proceeding and no direction inconsistent with such written request shall have been given to the Trustee during such 60-day period by Holders of a majority in principal amount of the Notes then outstanding; it being understood and intended, and being expressly covenanted by the Holder of every Notes with every other Holder of a Note and the Trustee, that no one or more Holders of Notes shall have any right in any manner whatever, by virtue or by availing of any provision of this Indenture, to affect, disturb or prejudice the rights of any other such Holder of Notes, or to obtain or seek to obtain priority over or preference to any other such Holder or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of the Notes.

15. Trustee Dealings with Company. Subject to certain limitations imposed by the TIA, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others. No director, officer, employee, incorporator, stockholder, member, manager or partner of the Company or any Subsidiary Guarantor, as such, will have any liability for any obligations of the Company or the Subsidiary Guarantors under the Notes, the Indenture, the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

17. Authentication. This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations. 19. Governing Law. THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

20. CUSIP and ISIN Numbers. The Company has caused CUSIP and ISIN numbers to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

we confirm that:

1. We understand that any subsequent transfer of the [5.750% Senior Notes due 2022] [5.875% Notes due 2024] (the “Notes”) of the Company or any interest therein is subject to certain restrictions and conditions set forth in the Indenture and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Notes or any interest therein except in compliance with, such restrictions and conditions and the Securities Act of 1933, as amended (the “Securities Act”).

2. We understand that the offer and sale of the Notes have not been registered under the Securities Act, and that the Notes and any interest therein may not be offered or sold except as permitted in the following sentence. We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, that if we should sell the Notes or any interest therein, we will do so only (A) to the Company or any subsidiary thereof, (B) in accordance with Rule 144A under the Securities Act to a “qualified institutional buyer” (as defined therein), (C) to an institutional “accredited investor” (as defined below) that, prior to such transfer, furnishes (or has furnished on its behalf by a U.S. broker-dealer) to you and to the Company a signed letter substantially in the form of this letter and, if such transfer is in respect of a principal amount of Notes, at the time of transfer of less than \$250,000, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such transfer is in compliance with the Securities Act, (D) outside the United States in accordance with Rule 904 of Regulation S under the Securities Act, (E) pursuant to the provisions of Rule 144 under the Securities Act or (F) pursuant to an effective registration statement under the Securities Act, and we further agree to provide to any Person purchasing the Definitive Note or beneficial interest in a Global Note from us in a transaction meeting the requirements of clauses (A) through (E) of this paragraph a notice advising such purchaser that resales thereof are restricted as stated herein.

3. We understand that, on any proposed resale of the Notes or beneficial interest therein, we will be required to furnish to you and the Company such certifications, legal opinions and other information as you and the

Company may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. We further understand that the Notes purchased by us will bear a legend to the foregoing effect.

4. We are an institutional “accredited investor” (as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act) and have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Notes, and we and any accounts for which we are acting are each able to bear the economic risk of our or its investment.

5. We are acquiring the Notes or beneficial interest therein purchased by us for our own account or for one or more accounts (each of which is an institutional “accredited investor”) as to each of which we exercise sole investment discretion.

You and the Company are entitled to rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceedings or official inquiry with respect to the matters covered hereby.

(b) *Holders of Transfer Restricted Securities.* A Person is deemed to be a holder of Transfer Restricted Securities (each, a “*Holder*”) whenever such Person owns Transfer Restricted Securities.

SECTION 3. *Registered Exchange Offer.*

(a) Unless the Company has reasonably determined that the Exchange Offer shall not be permissible under applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), each of the Company and the Guarantors shall (i) use their commercially reasonable efforts to file with the Commission a Registration Statement under the Securities Act relating to the Exchange Securities and the Exchange Offer, (ii) use their commercially reasonable efforts to cause such Registration Statement to become effective on or prior to the 390th day after the Closing Date (or if such 390th day is not a Business Day, the next succeeding Business Day) (the “*Exchange Date*”), (iii) in connection with the foregoing, file (A) all pre-effective amendments to such Registration Statement as may be necessary in order to cause such Registration Statement to become effective, (B) if applicable, a post-effective amendment to such Registration Statement pursuant to Rule 430A under the Securities Act and (C) use its commercially reasonable efforts to cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the state securities or blue sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer; *provided, however*, that the Company and the Guarantors shall not be required to (x) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not be otherwise required to qualify but for this Section 3(a) or (y) take any action that would subject it to general service of process or taxation in any such jurisdiction where it is not then so subject, and (iv) as promptly as practicable following the effectiveness of such Registration Statement, commence the Exchange Offer. The Exchange Offer Registration Statement shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Transfer Restricted Securities and to permit resales of Initial Securities held by Broker-Dealers as contemplated by Section 3(c) hereof.

(b) If an Exchange Offer Registration Statement is required to be filed and declared effective pursuant to Section 3(a) above, the Company and the Guarantors shall use their commercially reasonable efforts to cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 30 days after the date notice of the Exchange Offer is mailed to the Holders. The Company shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement. The Company shall use its commercially reasonable efforts to cause the Exchange Offer to be consummated no event later than the Exchange Date.

(c) The Company shall indicate in a “Plan of Distribution” section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Broker-Dealer who holds Initial Securities that are Transfer Restricted Securities and that were acquired for its own account as a result of market-making activities or other trading activities (other than Transfer Restricted Securities acquired directly from the Company), may exchange such Initial Securities pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Initial Securities held by any such Broker-Dealer except to the extent required by the Commission.

Each of the Company and the Guarantors shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms in all material respects with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 90 days from the date on which the Exchange Offer Registration Statement is declared effective and (ii) the date on which a Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

The Company shall provide a reasonable number of copies of the latest version of such Prospectus to Broker-Dealers promptly upon request at any time during such 90-day (or shorter as provided in the foregoing sentence) period in order to facilitate such resales and Broker-Dealers shall not be authorized by the Company to deliver and shall not deliver such Prospectus after such period in connection with the resales contemplated by this Section 3.

Notwithstanding anything to the contrary in this Agreement, at any time, the Company may delay the filing of any Exchange Offer Registration Statement or delay or suspend the effectiveness thereof and shall not be required to maintain the effectiveness thereof or amend or supplement such Exchange Offer Registration Statement, for a period of time (a “*Exchange Offer Blackout Period*”) not to exceed an aggregate of 90 days in any twelve-month period, if (1) the Board of Directors of the Company determines, in good faith, that the disclosure in such Exchange Offer Registration Statement of an event, occurrence or other item at such time is in the best interests of the Company or could reasonably be expected to have a material adverse effect on the Company’s business, operations or prospects or (2) the disclosure in such Exchange Offer Registration Statement otherwise relates to a material business transaction which has not been publicly disclosed and the Board of Directors of the Company determines, in good faith, that any such disclosure would jeopardize the success of such transaction or that disclosure of such transaction is prohibited pursuant to the terms thereof.

SECTION 4. *Shelf Registration.*

(a) *Shelf Registration.* If (i) the Company is not required to file an Exchange Offer Registration Statement or to consummate the Exchange Offer because the Company determines in good faith after consultation with counsel that the Exchange Offer is not permitted by applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), (ii) for any reason the Exchange Offer is not consummated by the Exchange Date, or (iii) with respect to any Holder of Transfer Restricted Securities that notifies the Company in writing within 20 Business Days following the consummation of the Exchange Offer that (A) such Holder is prohibited by applicable law or Commission policy from participating in the Exchange Offer, or (B) such Holder may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus and the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder, or (C) such Holder is a Broker-Dealer and holds Initial Securities acquired directly from the Company or one of its affiliates and as a result may not participate in the Exchange Offer, then, upon such Holder’s request, the Company and the Guarantors shall:

(x) use their commercially reasonable efforts to cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the “*Shelf Registration Statement*”) as

promptly as practicable and in any event on or prior to the Exchange Date (such date being the “*Shelf Filing Deadline*”), which Shelf Registration Statement shall provide for resales of all Transfer Restricted Securities the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(y) use their commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the Commission as promptly as practicable and in any event not later than the 60th day after the Shelf Filing Deadline (or if such 60th day is not a Business Day, the next succeeding Business Day).

Each of the Company and the Guarantors shall use its commercially reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities by the Holders of Transfer Restricted Securities entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, until the earlier of (a) the second anniversary of the effective date of such Shelf Registration Statement or (b) the date all of the Initial Securities covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement.

Notwithstanding anything to the contrary in this Agreement, at any time, the Company may delay the filing of any Shelf Registration Statement or delay or suspend the effectiveness thereof and shall not be required to maintain the effectiveness thereof or amend or supplement such Shelf Registration Statement, for a period of time (a “*Shelf Blackout Period*”) not to exceed an aggregate of 90 days in any twelve-month period, if (1) the Board of Directors of the Company determines, in good faith, that the disclosure in such Shelf Registration Statement of an event, occurrence or other item at such time is in the best interests of the Company or could reasonably

be expected to have a material adverse effect on the Company’s business, operations or prospects or (2) the disclosure in such Shelf Registration Statement otherwise relates to a material business transaction which has not been publicly disclosed and the Board of Directors of the Company determines, in good faith, that any such disclosure would jeopardize the success of such transaction or that disclosure of such transaction is prohibited pursuant to the terms thereof.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement or benefit from the provisions regarding Additional Interest for a Registration Default with respect to a Shelf Registration Statement unless and until such Holder furnishes to the Company in writing, within 20 Business Days after receipt of a request therefor, such information as the Company may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. *Additional Interest.* (a) If (i) any Shelf Registration Statement required by this Agreement has not been filed with the Commission on or prior to the Shelf Filing Deadline, (ii) any Shelf Registration Statement required by this Agreement has not been declared effective by the Commission (or become effective automatically) on or prior to the date specified for such effectiveness in Section 4(a) of this Agreement, (iii) the Exchange Offer has not been Consummated by the Exchange Date or (iv) any Shelf Registration Statement required by this Agreement is filed and declared effective but, at any time prior to the date which is two and one half years after the Closing date (or such earlier date when all the Transfer Restricted Securities covered by such Registration Statement have been sold pursuant to such Registration Statement), shall thereafter cease to be effective (each such event referred to in clauses (i) through (iv), a “*Registration Default*”), the Company hereby agrees that the interest rate borne by the Transfer Restricted Securities shall be increased (such increased interest, the “*Additional Interest*”) by 0.25% per annum during the 90-day period immediately following the occurrence of any Registration Default and shall increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall the total interest rate payable exceed 1.00% per annum. Following the cure of all Registration Defaults relating to any particular Transfer Restricted Securities, Additional Interest shall cease to accrue from the date of such cure and the interest rate borne by the relevant Transfer Restricted Securities will revert to the original interest rate borne by such Transfer Restricted Securities prior to the Registration Default; *provided, however*, that, if after any such Additional Interest ceases to accrue, a different Registration Default occurs, Additional Interest shall again accrue pursuant to the foregoing provisions. For the avoidance of doubt, Additional Interest shall accrue for a Registration Default that occurs by reason of an Exchange Offer Blackout Period or a Shelf Blackout Period.

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Transfer Restricted Security at the time such security ceases to be a Transfer Restricted Security shall survive until such time as all such obligations with respect to such security shall have been satisfied in full.

Notwithstanding the foregoing, (i) the amount of Additional Interest payable shall not increase because more than one Registration Default has occurred and is continuing and (ii) a Holder of Transfer Restricted Securities who is not entitled to the benefits of the Shelf Registration Statement shall not be entitled to Additional Interest with respect to a Registration Default that pertains to the Shelf Registration Statement.

The Additional Interest described in this Section 5 is the sole and exclusive remedy available to the Holders of the Transfer Restricted Securities due to a Registration Default.

SECTION 6. *Registration Procedures.*

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offer, if required pursuant to Section 3(a) hereof, the Company and the Guarantors shall comply with all of the provisions of Section 6(c) hereof, shall use their commercially reasonable efforts to effect such exchange and to permit the sale of Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and the Company, the Guarantors and each Holder of Transfer Restricted Securities shall comply with all of the following provisions, as applicable:

(i) To the extent the Commission raises an objection or, if in the reasonable opinion of counsel to the Company there is a question, in either case as to whether the Exchange Offer is permitted by applicable law, upon request of the Holders of a majority in principal amount of outstanding Transfer Restricted Securities, each of the Company and the Guarantors hereby agrees to seek a no-action letter or other favorable

decision from the Commission allowing the Company and the Guarantors to Consummate an Exchange Offer for such Initial Securities. Each of the Company and the Guarantors hereby agrees to use its commercially reasonable efforts pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. Each of the Company and the Guarantors hereby agrees, however, to (A) participate in telephonic conferences with the Commission, (B) deliver to the Commission staff an analysis prepared by counsel to the Company setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursue a favorable resolution by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish, upon the request of the Company, prior to the Consummation thereof, a written representation to the Company (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate (as such term is defined in Rule 405 under the Securities Act) of the Company or any Guarantor, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any Person to participate in, a distribution (within the meaning of the Securities Act) of the Exchange Securities to be issued in the Exchange Offer, (C) it is acquiring the Exchange Securities in its ordinary course of business and (D) it shall have made such other representations as may be reasonably necessary under applicable Commission rules, regulations or interpretations to render the use of Form S-4 or other appropriate

form under the Securities Act available or for the Exchange Offer Registration Statement to be declared effective. In addition, all such Holders of Transfer Restricted Securities shall otherwise cooperate in the Company's preparations for the Exchange Offer. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Securities obtained by such Holder in exchange for Initial Securities acquired by such Holder directly from the Company.

(b) *Shelf Registration Statement.* If required pursuant to Section 4, in connection with the Shelf Registration Statement, each of the Company and the Guarantors shall comply with all the provisions of Section 6(c) hereof and shall use its commercially reasonable efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto each of the Company and the Guarantors will as expeditiously as possible prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof.

(c) *General Provisions.* In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Initial Securities by Broker-Dealers), each of the Company and the Guarantors shall:

(i) use its commercially reasonable efforts to keep such Registration Statement continuously effective and provide all requisite financial statements (including, if required by the Securities Act or any regulation thereunder, financial statements of the Guarantors) for the period specified in Section 3 or 4 hereof, as applicable; upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use its commercially reasonable efforts to cause such amendment to be declared effective and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter;

(ii) use its commercially reasonable efforts to prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriter(s), if any, and selling Holders named in any Registration Statement, as promptly as practicable and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act or following the receipt of the Company of any notifications of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes and (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or blue sky laws, each of the Company and the Guarantors shall use its commercially reasonable efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) furnish without charge to each of the Initial Purchasers, each selling Holder named in any Registration Statement, and each of the underwriter(s), if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement if not publicly available on EDGAR), which documents will be subject to the review and comment of such Holders and underwriter(s) in connection with such sale, if any, for a period of at least five Business Days, and the Company will not file any such Registration Statement or Prospectus or any amendment or supplement to

any such Registration Statement or Prospectus (excluding any documents incorporated by reference) to which an Initial Purchaser of Transfer Restricted Securities covered by such Registration Statement or the underwriter(s), if any, shall reasonably object in writing within five Business Days after the receipt thereof (such objection to be deemed timely made upon confirmation of telecopy transmission within such period) except for any Registration Statement, Prospectus or any amendment or supplement to any such Shelf Registration Statement or Prospectus (a copy of which has been previously furnished as provided in the preceding sentence) that counsel to the Company has advised the Company that, to such counsel's knowledge, is required to be filed to comply with applicable law. The objection of an Initial Purchaser or underwriter, if any, shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(v) make available at reasonable times for inspection by the Initial Purchasers, the managing underwriter(s), if any, as participating in any disposition pursuant to such Registration Statement and any attorney or accountant retained by such Initial Purchasers or any of the underwriter(s), all financial and other records, pertinent corporate documents and properties of each of the Company and the Guarantors and cause the Company's and the Guarantors' officers, directors and employees to supply all information reasonably requested by any such Initial Purchaser, underwriter, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness and to participate in meetings with investors to the extent requested by the managing underwriter(s), if any, and the Company determines in its reasonable discretion that such "roadshow" will not materially interfere with its business; *provided, however*, that such person shall agree at the time of delivery to keep confidential such information designated by the Company in writing as confidential, unless such disclosure is required by law or is made in connection with a court proceeding, or such records, information or documents become generally available to the public;

(vi) if requested by any selling Holders of a majority in principal amount of the Transfer Restricted Securities included in a Shelf Registration Statement or the underwriter(s), if any, as promptly as practicable incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities, information with respect to the principal amount of Transfer Restricted Securities being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Company is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(vii) in the case of a Shelf Registration, use commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be rated, if not then rated, with the appropriate rating agencies, if so requested by the Holders

of a majority in aggregate principal amount of Transfer Restricted Securities covered thereby or the underwriter(s), if any;

(viii) in the case of a Shelf Registration, furnish to each Initial Purchaser, each selling Holder and each of the underwriter(s), if any, upon request, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, but excluding all documents incorporated by reference therein and all exhibits (unless requested in writing to the Company by an Initial Purchaser or a selling Holder, as the case may be);

(ix) in the case of a Shelf Registration or if a Prospectus is required to be delivered by any Broker-Dealer in the case of an Exchange Offer, deliver to each selling Holder named therein and each of the underwriter(s), if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; each of the Company and the Guarantors hereby consents to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders named therein and each of the underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(x) in connection with any Underwritten Offering, enter into such customary agreements (including an underwriting agreement), and make such customary representations and warranties, and take all such other customary actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Shelf Registration Statement contemplated by this Agreement with respect to such Underwritten Offering, all to such extent as may be reasonably requested by any Initial Purchaser or by the Holders of a majority in aggregate principal amount of Transfer Restricted Securities or underwriter in connection with any sale or resale pursuant to any Shelf Registration Statement contemplated by this Agreement:

(A) furnish to each Initial Purchaser, each selling Holder named therein and each underwriter, if any, in such substance and scope as they may reasonably request and as are customarily made by issuers to underwriters in primary underwritten offerings, the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated the date of effectiveness of the Shelf Registration Statement, signed by (y) the President, any Executive Vice President or any Senior Vice President and (z) a principal financial or accounting officer of each of the Company and the Guarantors (or, in the case of (y) or (z) any other officers or authorized signatory of the Company or the Guarantors), confirming, as of the date thereof, the matters set forth in paragraphs (i), (ii) and (iii) of Section 5(f) of the Purchase Agreement and such other matters as such parties may reasonably request;

(2) an opinion or opinions, dated the date of effectiveness of the Shelf Registration Statement of counsel for the Company and the Guarantors, covering the matters set forth in Section 5(d) of the Purchase

Agreement as such matters are applicable in the context of the effectiveness of the Shelf Registration Statement and are customarily covered in an opinion provided in an underwritten offering, if applicable, and such other matter as such parties may reasonably request, and in any event including a customary statement substantially to the effect that such counsel has participated in conferences with officers and other representatives of the Company and the Guarantors, representatives of the independent public accountants for the Company and the Guarantors, representatives of the underwriter(s), if any, and counsel to the underwriter(s), if any, in connection with the preparation of such Registration Statement and the related Prospectus and have considered the matters required to be stated therein and the statements contained therein, although such counsel has not independently verified the accuracy, completeness or fairness of such statements; and that such counsel advises that, on the basis of the foregoing, no facts came to such counsel's attention that caused such counsel to believe that the applicable Shelf Registration Statement, at the time such Shelf Registration Statement or any post-effective amendment thereto became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein in light of the circumstances under which they were made not misleading, or that the Prospectus contained in such Shelf Registration Statement as of its date, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein not misleading. Without limiting the foregoing, such counsel may state further that such counsel assumes no responsibility for, and has not independently verified, the accuracy, completeness or fairness of the financial statements, notes and schedules and other financial data included in any Shelf Registration Statement contemplated by this Agreement or the related Prospectus and such other customary matters; and

(3) a customary comfort letter, dated the date of effectiveness of the Shelf Registration Statement, from the Company's independent accountants, in the customary form and covering matters of the type customarily requested to be covered in comfort letters by underwriters in connection with primary underwritten offerings, and covering or affirming the matters set forth in the comfort letters delivered pursuant to Sections 5(a) and (b) of the Purchase Agreement, without exception;

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with Section 6(c)(x)(A) hereof and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company or any of the Guarantors pursuant to this Section 6(c)(x), if any.

If at any time the representations and warranties of the Company and the Guarantors contemplated in Section 6(c)(x)(A)(1) hereof cease to be true and correct in all material respects, the Company or the Guarantors shall so advise the Initial Purchasers and the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(xi) prior to any public offering of Transfer Restricted Securities pursuant to a Shelf Registration Statement, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the state securities or blue sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may reasonably request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; *provided, however*, that none of the Company or the Guarantors shall be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than those arising out of the offering or sale of the Transfer Restricted Securities, in any jurisdiction where it is not then so subject;

(xii) shall issue, upon the request of any Holder of Initial Securities covered by the Shelf Registration Statement, Exchange Securities having an aggregate principal amount equal to the aggregate principal amount of Initial Securities surrendered to the Company by such Holder in exchange therefor or being sold by such Holder; such Exchange Securities to be registered in the name of such Holder or in the name of the purchaser(s) of such Securities, as the case may be; in return, the Initial Securities held by such Holder shall be surrendered to the Company for cancellation;

(xiii) in the case of a Shelf Registration, cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations and registered in such names as the Holders or the underwriter(s), if any, may request at least five Business Days prior to any sale of Transfer Restricted Securities made by such Holders or underwriter(s);

(xiv) use its commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in Section 6(c)(xii) hereof;

(xv) if any fact or event contemplated by Section 6(c)(iii)(D) hereof shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain (after giving effect to such supplement

or amendment) an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading;

(xvi) provide a CUSIP number for all Securities not later than the effective date of the Registration Statement covering such Securities and provide the Trustee under the Indenture with printed certificates for such Securities which are in a form eligible for deposit with The Depository Trust Company and take all other action necessary to ensure that all such Securities are eligible for deposit with The Depository Trust Company;

(xvii) cooperate and assist in any filings required to be made with FINRA and in the performance of any due diligence investigation by any underwriter (including any “qualified independent underwriter”) that is required to be retained in accordance with the rules and regulations of FINRA;

(xviii) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, a consolidated earnings statement meeting the requirements of Rule 158 (which need not be audited) for the twelve-month period no later than 45 days after the end of any fiscal quarter (or 90 days after the end of any 12-month period if such period is a fiscal year) (A) commencing on the first day of the first fiscal quarter after Transfer Restricted Securities are sold to underwriters in a firm commitment or best efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Company’s first fiscal quarter commencing after the effective date of the Registration Statement;

(xix) cause the Indenture to be qualified under the Trust Indenture Act not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Securities to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and to execute and use its commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner; and

(xx) provide promptly to each Holder upon written request each document filed with the Commission pursuant to the requirements of Section 13 and Section 15 of the Exchange Act and not publicly available on EDGAR.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or until it is advised in writing (the “Advice”) by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Company, each Holder will deliver to the

Company (at the Company’s expense) all copies, other than permanent file copies then in such Holder’s possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such notice. In the event the Company shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof or shall have received the Advice; *provided, however*, that no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 5 hereof or the amount of such Additional Interest, it being agreed that the Company’s option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5 hereof.

SECTION 7. *Registration Expenses.*

(a) All expenses incident to the Company’s and the Guarantors’ performance of or compliance with this Agreement will be borne by the Company and the Guarantors, jointly and severally, regardless of whether a Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees and reasonable expenses (including filings made by any Holder with FINRA (and, if applicable, the reasonable fees and expenses of any “qualified independent underwriter” and its counsel that may be required by the rules and regulations of FINRA); (ii) all reasonable fees and expenses of compliance with federal securities and state securities or blue sky laws; (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company, the Guarantors and, subject to Section 7(b) hereof, the Holders of Transfer Restricted Securities; (v) all application and filing fees in connection with listing the Exchange Securities on a securities exchange or automated quotation system pursuant to the requirements thereof; and (vi) all fees and disbursements of independent certified public accountants of the Company and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

Each of the Company and the Guarantors will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Company or the Guarantors.

(b) In connection with any Registration Statement required by this Agreement (including, without limitation, the Exchange Offer Registration Statement and the Shelf Registration Statement), the Company and the Guarantors, jointly and severally, will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities being tendered in the Exchange Offer and/or resold pursuant to the “Plan of Distribution” contained in the Exchange Offer Registration Statement or registered pursuant to the Shelf Registration Statement, as applicable, for the reasonable and documented fees and disbursements of not more than one counsel, who shall be Cahill Gordon & Reindel LLP or such other counsel as may be chosen by the Holders of a majority

in principal amount of the Transfer Restricted Securities for whose benefit such Registration Statement is being prepared.

SECTION 8. *Indemnification.*

(a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless (i) each Holder, (ii) each Person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder (any of the Persons referred to in this clause (ii) being hereinafter referred to as a “controlling person”) and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person of a Holder (any Person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an “Indemnified Holder”), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, and as incurred, reimbursement of all reasonable and documented costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable and documented fees and expenses of counsel to any Indemnified Holder), joint or several, based upon, arising out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus (or any amendment or supplement thereto), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Holders who at any time had Transfer Restricted Securities furnished in writing to the Company by any of the Holders or on any of their behalf expressly for use therein. This indemnity agreement shall have been in addition to any liability which the Company or any of the Guarantors may otherwise have.

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Company or the Guarantors, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person) shall promptly notify the Company and the Guarantors in writing; *provided, however*, that the failure to give such notice shall not relieve any of the Company or the Guarantors of its obligations pursuant to this Agreement except to the extent that it has been materially prejudiced as a result of such failure. The Company and the Guarantors shall be entitled to participate in any such action and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Holder, and, after notice from the Company or any Guarantor to such Indemnified Holder of its election so to assume the defense, thereof, the Company or the Guarantors shall not be liable to such Indemnified Holder for any legal or other expenses, in each case subsequently incurred by such Indemnified Holder, in connection with the defense thereof other than reasonable and documented costs of investigation. Notwithstanding the Company’s or any Guarantor’s election to appoint counsel to represent the Indemnified Holders in any action, such Indemnified Holders shall have the right to employ, subject to the limitations set forth below, separate counsel (including local counsel) reasonably satisfactory to the Company and the Company shall bear the reasonable and documented fees, costs and expenses of such separate counsel

if the Indemnified Holder shall have reasonably concluded, based on the advice of counsel, that a conflict may arise between the positions of the indemnifying party and the Indemnified Holder in conducting the defense of any such action or that there may be legal defenses available to it and/or other Indemnified Holders which are different from or additional to those available to the indemnifying party, the Indemnified Holders or Holder shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Holder.

The Company and the Guarantors shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable and documented fees and expenses of more than one separate firm of attorneys (in addition to any local counsel if deemed necessary based on the advice of counsel) at any time for such Indemnified Holders, which firm shall be designated by the Indemnified Holders. The Company and the Guarantors shall be liable for any settlement of any such action or proceeding effected with the Company’s and the Guarantors’ prior written consent, which consent shall not be withheld unreasonably, and each of the Company and the Guarantors agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the Company and the Guarantors. The Company and the Guarantors shall not, without the prior written consent of each Indemnified Holder, which consent shall not be withheld unreasonably, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors and their respective directors and officers who sign a Registration Statement, and any Person controlling (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company or any of the Guarantors, and the respective officers, directors, partners, employees, representatives and agents of each such Person, to the same extent as the foregoing indemnity from the Company and the Guarantors to each of the Indemnified Holders, but only with respect to claims and actions that arise out of or are based upon information relating to such Holder who at any time had furnished to the Company in writing by such Holder or on its behalf expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Company, the Guarantors or their respective directors or officers or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Company and the Guarantors, and the Company, the Guarantors, their respective directors and officers and such controlling person shall have the rights and duties given to each Holder by the preceding paragraph, *mutatis mutandis*.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or (b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified

party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Indemnified Holders, on the other hand, from the Initial Placement (which in the case of the Company and the Guarantors shall be deemed to be equal to the total net proceeds to the Company and the Guarantors from the Initial Placement), or if such allocation is not permitted by applicable law, the relative fault of the Company and the Guarantors, on the one hand, and the Indemnified Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or any of the Guarantors, on the one hand, or the Indemnified Holders, on the other hand, and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to

include, subject to the limitations set forth in the second paragraph of Section 8(a) hereof, any documented legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Company, the Guarantors and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Indemnified Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any documented legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, no Indemnified Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Initial Securities exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Initial Securities held by each of the Holders hereunder and not joint.

SECTION 9. *Rule 144A.* Unless subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, each of the Company and the Guarantors hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding, to use its commercially reasonable efforts to make available to any Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A under the Securities Act.

SECTION 10. *Participation in Underwritten Registrations.* No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. *Selection of Underwriters.* The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker(s) and managing underwriter(s) that will administer such offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; *provided, however*, that such investment banker(s) and managing underwriter(s) must be reasonably satisfactory to the Company.

SECTION 12. *Miscellaneous.*

(a) *Remedies.* Each of the Company and the Guarantors hereby agrees that, except with respect to a Registration Default, monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* Each of the Company and the Guarantors will not on or after the date of this Agreement enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's or any of the Guarantors' securities under any agreement in effect on the date hereof.

(c) *Adjustments Affecting the Securities.* The Company will not take any action, or permit any change to occur, with respect to the Securities that would reasonably be expected to materially and adversely affect the ability of the Holders to Consummate any Exchange Offer, unless such action or change is required by law.

(d) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Company has (i) in the case of Section 5 hereof and this Section 12(d)(i), obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding any Transfer Restricted Securities held by the Company or its Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities being tendered or registered; *provided*,

however; that, with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Company shall obtain the written consent of each such Initial Purchaser with respect to which such amendment, qualification, supplement, waiver, consent or departure is to be effective.

(e) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telex, telecopier, or air courier guaranteeing overnight delivery:

(f) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties, including, without limitation, and without the need for an express assignment, subsequent Holders of Transfer Restricted Securities; *provided, however*, that this Agreement shall not inure to the benefit of or be binding upon a successor or assign of a Holder unless and to the extent such successor or assign acquired Transfer Restricted Securities from such Holder.

(j) *Severability.* In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

(k) *Joinder.* The Company agrees to cause the URS Guarantors to execute and deliver to the Initial Purchasers the Registration Rights Joinder as promptly as practicable after consummation of the Merger (as defined in the Purchase Agreement).

(l) *Entire Agreement.* This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein.
